so I'll say to all you that have
a bitmen summer and how

ANTICIPATION — theme of our annual, our year and our lives. We anticipate sports: how will football fare? will volleyball be league champs again? will cross country go to CIF? will tennis win? how does the basketball team look? can we exceed last year's record in wrestling? can we duplicate last year's softball team? how will the ski team do? will track be winners again?

We anticipate the year's social events: who will be Homecoming queen? where and when will Prom be held? whom will I take to Prom? shall I buy an ASB card, an annual? do I get to drive to away football games? which clubs should I join? do I want to consider AFS or YFU programs abroad?

We anticipate the years ahead: what do I want to do? should I go to college? what are my aptitudes? what kind of commitments do I make?

We anticipate and wonder. We anticipate while we remember.

Lance,
You even though I don't
know you still write to you
anyway hope you have a
nice year and so on

Poets to come! orators, singers,
musicians to come!
Not to-day is to justify me and
answer what I am for,
But you, a new brood, native,
athletic, continental,
greater than before known.
Arouse!...

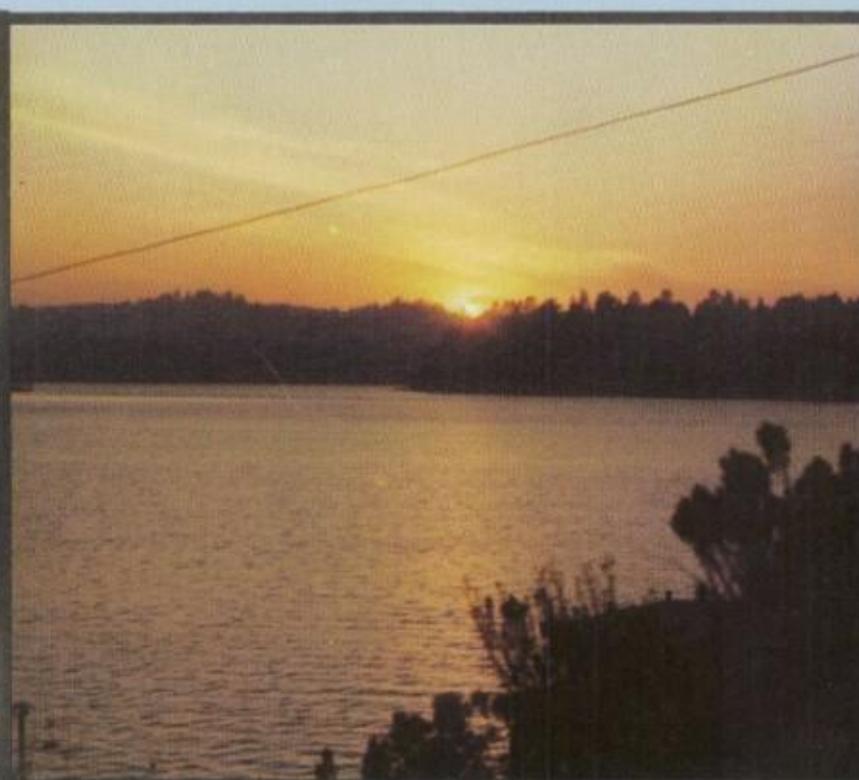

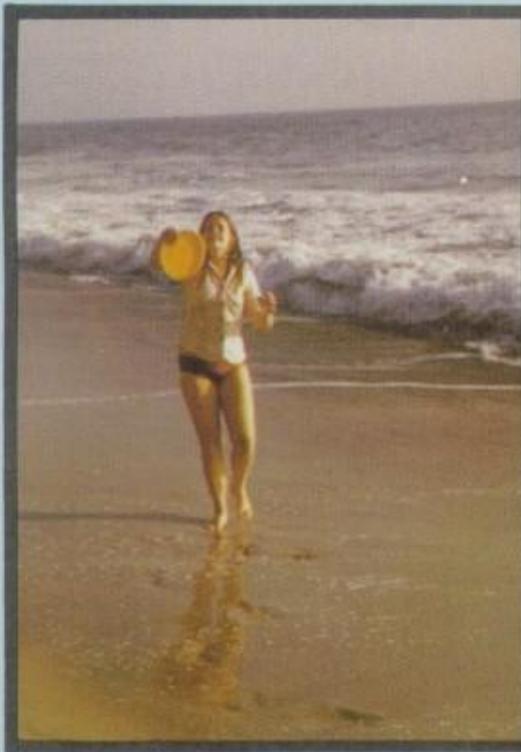

I am a man who, sauntering along
without fully stopping,
turns a casual look upon you and
then averts his face.
Leaving it to you to prove and define it,

Expecting the main things from you.

THE YEAR

172

DEDICATION

On behalf of the Rim High School Student Body, the Annual Staff dedicates this year's Pibroch to LaVelle Cochran, counselor and friend.

Mrs. Cochran grew up in Oregon, New Mexico, and California. She was the only girl in her family; she has two brothers, Dean and Don. She graduated from San Bernardino H.S., went to work at Norton Air Force Base. When she talks to seniors about ways to get through college, she knows what she is talking about: she worked her way through college; attended the Univ. of Oregon, the Nazarene College in Pasadena; graduated from Long Beach State. While teaching, she completed her work for her Master's degree at Cal State, San Bernardino.

Mrs. C. taught girls' P.E. at San Bernardino H.S. before she was enticed into coming to Rim in Feb of 1967. She was in the Police Reserve in San Bernardino for a number of years; during this time, she served as a Security Guard at the Orange Show.

She is interested in the out-of-doors: loves camping, skiing, dirt biking, fishing, baseball, traveling, etc. Her son Kirk is also — at 12 — a baseball enthusiast. Kirk has played Little League for several years, is a believer in Dodger Blue, and, likes spending his summers on the island at the lake up in Oregon.

Mrs. Cochran's first major contribution at Rim was in the area of girls' athletics. As P.E. teacher and tennis coach, she, in the words of former Principal, Lester DeMent, gave girls' athletics "the credibility and dignity it deserved." Her whole emphasis in sports was on behaving in a manner becoming a lady (or a gentleman) and an athlete. Because she asked the very best from people, girls' athletics became a thing in which you could be proud to participate.

Mrs. Cochran has always been a caring person. She cared about her programs, cared about her teams, cared about the individual.

For the past 5 years, Mrs. C. has been in counseling. In this capacity, she has befriended and counseled many students. She is devoted to her job, patient in her deliberations, and tireless in her attempts to aid seniors in choosing colleges and careers. She is responsible for the Bank of America contests and the senior awards programs.

Rim High salutes and honors you, LaVelle Cochran, our beloved Mrs. C.

A much younger Mrs. Cochran.

Mrs. Cochran with her mother and father in Arizona.

Being domestic in her aunt's kitchen.

Graduation in 1959.

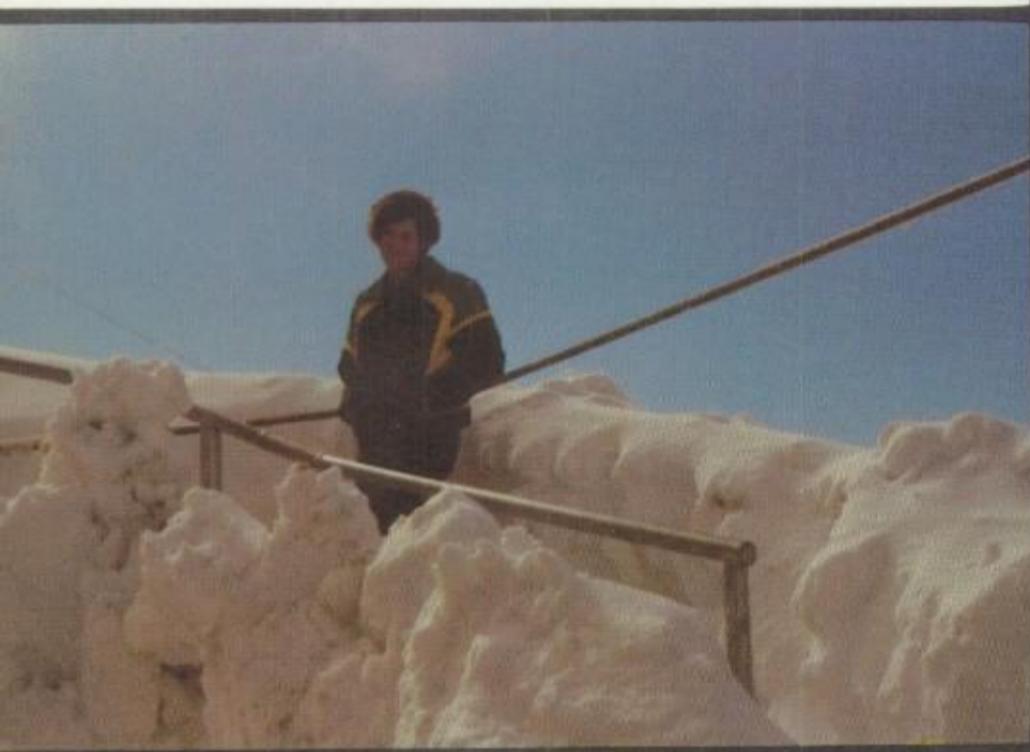

On the courts at Rim.

No longer children
 Where have all the years gone?
 Wasn't only yesterday
 Our first day at Rim?
 And now it has come to an end
 Graduation.
 Blue and white tassles
 Now on to new beginnings.
 What is waiting for us out
 there?
 What new friends will we
 make?
 That real world is so close
 We've only to reach out
 And it's ours
 Waiting
 Wondering
 About tomorrow.

Childish Things

When I was a child
I understood just like a child
Now that I am able
I'm gonna lay it on the table

When I was just a little Child
I spoke just like a child
Now that I am older
I'm gonna lay down Childish Things

Let me lay it down
I keep on getting stronger
Let me lay it down
I don't need them any longer
Childish Things

When I was a child
I thought just like a child
Now I'm thinking clearer
I don't need them any longer
Childish Things

When I was a child
I walked just like a child
Now I'm walking better
I'm gonna lay down Childish Things

When I became a man
I began to understand
I stopped acting like a baby
I layed down Childish Things

JUNiORS

Our Junior year has been a very successful one, filled with many fun and fulfilling activities that never would have happened if it weren't for our dedicated hard working juniors. Through these activities we've come to know each other better and we've found new responsibilities that will help us in later life.

We've also shown ourselves and the school how spirited and close our class really is. We've all been very honored to be your officers this year and we know next year will be even better. Have pride in yourselves and the class of '81! Junior Class president, Mark Monninger, and Caryl Collier, vice-president.

Freshmen

The Class of Eighty-three, the largest class ever to attend the daily routines of Rim, brought with them a class spirit that was heard throughout the halls all year. Class Secretary, Judy Miller says, "The biggest is the best." Class officers helped to promote spirit and strength for the many freshmen. President Kathleen Shaw, V.P. Debbie Nunn, Secretary Judy Miller, and Treasurer Becky Mosher all contributed greatly to the well-being of the class. The class motto "'83 was meant to be" was enthusiastically reverberated over and over again. Although it may seem a long way to graduation, the world will benefit from the class of '83.

CLASS OF EIGHTY-THREE

Classic Faces: Left page: Mark Wright enjoys the mountain air; The Class demonstrates its spirit; Mike Zack brushes twice a day; Chris Mann reads "Mary Poppins." This page: Movie starlets Kelly Ewing and Kathleen Shaw modestly pose for the camera; Joel Whitlatch getting perturbed; Matt Furness demonstrates his academic ability; Judy Miller abhors being disturbed.

FACULTY, AND STAFF

The Board: Phillip Mullendore, Sam McCreery, Pete Shaw, Norah Casner, William Avarell.

DISTRICT OFFICE

I want to congratulate members of the Class of 1980 as they step through a significant doorway toward the future. Congratulations, too, to the entire student body and staff for making Rim of the World High School one of the finest schools anywhere. It is an honor to be associated with such a first-rate group of people, and I know we can all work together to see that Rim High continues its tradition of excellence in every area. One of those areas being the yearbook, I sincerely commend this year's PIBROCH staff and advisor for creating another masterpiece.

James Bernardy

James Bernardy, District Superintendent

Victoria Wood, Dist. Psychologist

Robert Peterson, Business Manager

William Pettus, Director of Special Services

Back row - Sharon Merrill, Betty Holcomb, Cyndie Smith. Front row - Jan Shusda, Kristy Rich, Linda Foote

Gary Steffans, Assist. Superintendent

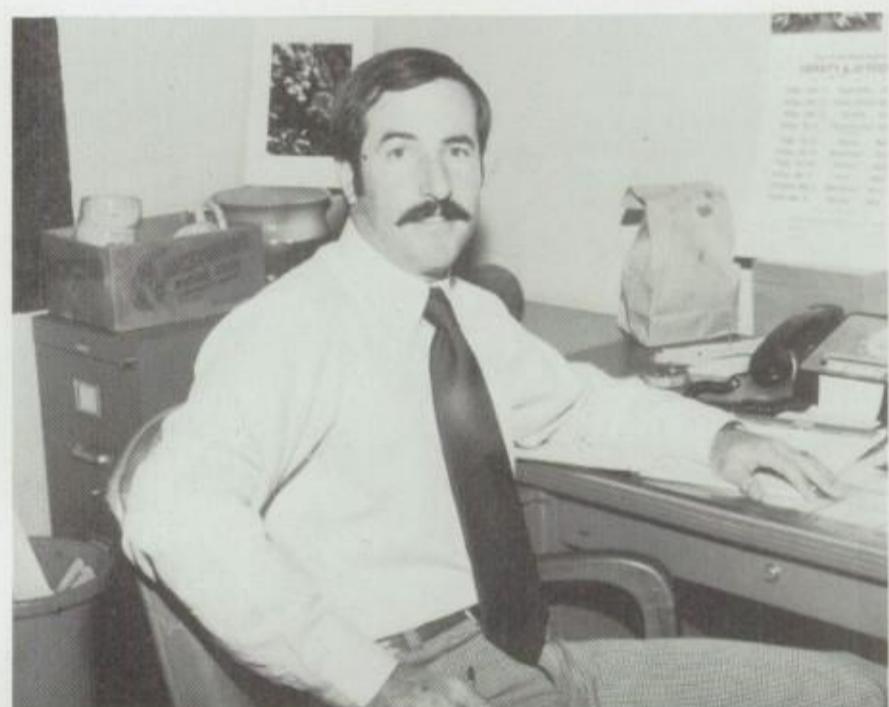

Organization, thoughtfulness, and getting involved with the students was the main goal of this year's District Office staff. Their cooperation with A.S.B. meetings and award competition was highly appreciated by all. Under the supervision of James Bernardy, this group worked as a team with their colleagues and students. The District staff made possible such things as the rooter bus; their very fine public relations brought closer together the community and the students. The students of Rim High would like to thank the District Office for this year's events.

Joe Matthews

ADMINISTRATION

Rim's Administrative Staff is very important to the continuation of the school and to student life. Mr. Matthew's constant efforts and gentle (?) proddings along with the ever present encouragement of our principal, Tim Buchanan, are truly an inspiration to us all. Helpful hints from Bob Gayl, our Dean of Students, and our fine Athletic Director, Dave Ochs, also help to tie the administration and student body together.

COUNSELORS

Along with an outstanding administration, there must also be a great set of counselors and this year we had all the ingredients. Vel Cochran, Billy Dickson and Phyllis Swinnerton have given the students much guidance and aid in helping them make decisions about their futures, find out about their academic requirements and face up to their personal and social responsibilities. True devotion is what makes the counselors at Rim FANTASTIC.

ASB EXECUTIVE BOARD

The executive board was quite efficient. They tried to involve more students in the procedures of running the ASB. The board, although the backbone of the associated student body, stressed continuously throughout the year, the fact that the students of the school, each one, made up ASB.

ASB CONGRESS

The ASB congress did a very fine job of handling the school problems, and also planning the year. They contained reps that were interested in what was going on.

The ASB put on another convention in which they elected the 1980-81 ASB Pres. and V. Pres. They were also the sponsors of special activity days, intramurals, and most of the other major activity that went on this past year.

ART

The class that always seems to be put on the shelf is the art class.

Our art teachers Barbara Matheson, Pam Herlitz, and Gerry Vom Steeg, have proven themselves more than adequate in their field.

These teachers have shaped the artistic talents of Rim High students. We hope that they will continue bringing out the artist in all of us in the years to come.

Mike Patterson

As hard to teach as we are, we've made it through school with the help of our excellent English Staff.

Somehow, even with our excuses, paper fights, and continuous noise, we were taught how to express ourselves with words we never knew existed.

These teachers have made a point of making sure that we shall not leave this school without a proper understanding of English and of ourselves.

If help is ever needed we know that there are caring teachers right around the corner.

SOCIAL STUDIES

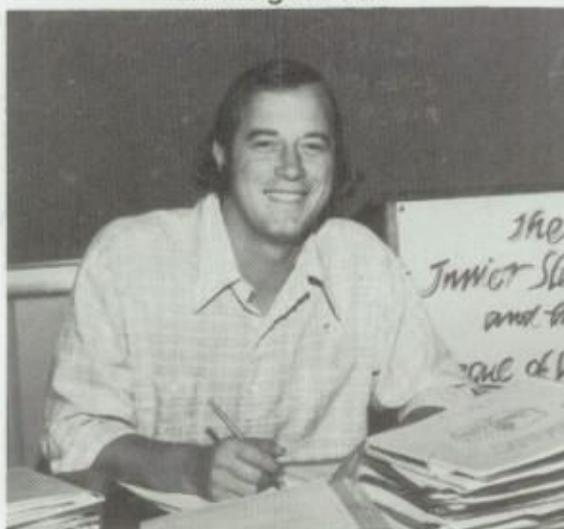

The social studies staff offers the student a variety of classroom experiences as unique and individual as the teachers themselves. The common thread that brings unity to the department, with its diversity of personality, is the desire to prepare the young people for an ever-changing world where significant decisions must be made daily.

SCIENCE

The science department begins the 1980's by looking forward to moving into its greatly improved facilities in the new school wing. Our courses for this year include *Geology/Mineralogy* by Mr. Key, *Sci Tech* by Mr. Schweighardt, *Aviation and Advanced Aviation* by Mr. Drozd, *Biology* by Mr. Exline, *Chemistry* by Mr. Lakatos, *Physics* by Mr. Schweighardt, *Senior Honors Science* by Mr. Lakatos. The 1980's — a new decade, new facilities and new challenges for our science students and teachers.

Mr. Daniel Martinez

Mr. Jarle Eldevik

LANGUAGES

The Foreign Language Department continues with two languages: Spanish and German. Mrs. Garcia's beginning classes were packed and overflowing in the fall. Only gradually was the problem resolved. Our continuing teachers are: Mrs. Delores Garcia, Spanish; Mr. Daniel Martinez, Spanish; Mr. Jarle Eldevik, German.

MUSIC

The Music Department moved in new dimensions this year. Mr. Key continues with the vocal program with Choir, Girls' Glee and Ensemble. But Mr. Tom McMahon was hired to begin a marching band program. Marching band began practicing before school started, struggled through its first months with old Redlands H.S. uniforms, then received its own spanking new uniforms in December! The group is participating in festivals, competition, and tours. They're even going to Dodger Stadium! Flags, Drill Team and Band are all coordinated. Second semester a Wind Ensemble was also organized. Enthusiasm for music is high!

PE

The P.E. Department has undergone various changes in personnel this year: Mrs. Frank returned after a year's leave of absence; Mr. Webb moved from the English Dept. to replace Mr. Hunstock who had retired; Mr. Steele was hired to replace Mr. Ochs who became Athletic Director. But the problem remains the same: inadequate space. In good weather we can manage, but inclement weather and 1 gym present numerous difficulties. We look longingly toward that unfinished gym and do our best to provide an adequate program for students with varied interests and needs.

The students have each learned from the exceptional classroom education, as well as the experience of working with a new instructor. The marching band has opened up doors of new, never-ending excitement, and has challenged a great number of students in many different ways.

NEW DIRECTOR WITH NEW DIRECTIONS

CONCERT BAND — This is the biggest instrumental group on campus. They had concerts in December and March, and participated in S.C.S.B.O.A. festivals at Cal State San Bernardino and Alta Loma High School during the Spring, but their main activity, and always the highlight of the year, was the spring tour. The concert tour included three concerts and tours of Sacramento, San Francisco, and some other major places.

JAZZ ENSEMBLE — Exploration of Jazz styles and their performance was the goal of this young group of instrumentalists. Improvisational techniques were also practiced, especially in the small combo groups that were an offshoot of the larger Ensemble. This group participated in Jazz festivals at Cal State San Bernardino and Chaffey College. Their main concerts were in March and May.

WIND ENSEMBLE — Composed of the finest instrumental students on campus, this small but talented group existed during the second semester primarily as a reading group. In addition to rehearsing class "A" and "AA" music, this Wind Ensemble also explored and practiced conducting techniques designed to make them better all-around musicians. This group participated in the concert tour in May with the concert band also.

Wind Ensemble Members include: Susan Cipich, Lori Dudgeon, Mat Fratus, Greg Hopkins, Phil Kellner, Gail Mackprang, Tad Martin, Lisa Nickel, Holly Plumb, Karen Sorenson, Ken Rubio, Anna Stowe, Karla Wilson, and Bob Zavas.

'79-'80 PEP SQUAD

Our Pep Squad did an excellent job supporting all sports. The squad included the first ever elected male yell leaders at Rim. They attended all football and basketball games, and all other sports games were attended by at least one representative from the squad. Good job!

Rim's mascot, Kelly Evenson, left, did a very good job. She was in charge of game plans, calling cheers, organizing practices, promoting school spirit, and dancing her routine to the Alma Mater.

Already they have sponsored a movie, (The Great Waldo Pepper), and a canned food drive for needy families. They also had follow-up on their high-flying balloon contest from last year. One balloon was found in Rock Rapids, Iowa. In the near future, the explorers have an "Air Day." Reps. will visit Rim from all branches of the aviation industry to talk to students. Army and Sheriff helicopters may also be flown in to be observed. The club has many more fund raisers planned, A.S.B. willing.

BUILDING FOR THE FUTURE . . .

Rim's Varsity Football team was not as successful this season as in recent years. Going through a rebuilding stage this year, the Scots posted a 1 - 9 record with our lone victory coming against CIF bound Notre Dame. With a strong football program, the Rim coaches hope to have a contending team next season.

The "79-80" football season was, perhaps, the most successful season ever for our Junior Varsity football team. For the first time in many years, J.V. Football took the Sunkist League championship amidst stiff competition, defeating such League power houses as: Banning, Beaumont and Perris along with other extremely tough Sunkist League teams.

The J.V. staff, determined to make their team a winning one, introduced a new style of coaching to their players. The new idea was to be on a one to one basis with the team members, and coaches Burns and Steele made this work exceptionally well considering it was their first year here at Rim. Outstanding talent among team members included: Paul Boles, Pat McDonald, Kevin Martin, and Kenny Ayers and they are hopefulls for the seasons to come. Hopes are high for another winning season.

Front Row — (L to R) Tony Fusco, Ernie Acosta, Mike Swim, Ricky Jehue, Brian Davis, Paul Boles, Kevin Schwartzkopf, Alan Waller, Carl Ruddel.

SCOTS VARSITY CROSS COUNTRY TAKE 4th PLACE AT CIF

A new record high at Rim.

The Cross Country Team did tremendously well this year taking a 4th place in CIF Championships. This is the highest placing in Rim history, with an 11th place following. The team worked long hard hours preparing for each race.

They also placed 5th at both Mammoth and Yucaipa Invitationals, and took a 10th place at the Mt. San Antonio College Invitational.

Preparing for a race includes a strict diet, plenty of sleep the night before, physical preparations the day of the race as well as prior to the race, and mental preparations.

Cross Country is one of the most strenuous sports at Rim. It encompasses miles and miles of hard work. Running not only takes tremendous physical strength, but mental strength as well.

Lawrence Stehmeier, who is "top man" on the team, helped to lead the team to victory. Mike Paulin, is to be commended for his outstanding performance as a Freshman on the Varsity team. Mike is third out of nine Varsity members.

The team is very enthusiastic about running. Some members planned to run in a Marathon that took place on the 16th of December. Those running include: Tim Fuette, Brett McClintock, Brian McClintock, Mark Miller, Mike Paulin, Dan Wagner, and Ron Bemis.

SPIRIT RANKS NO. 1

RIM'S SPIRIT PROVES

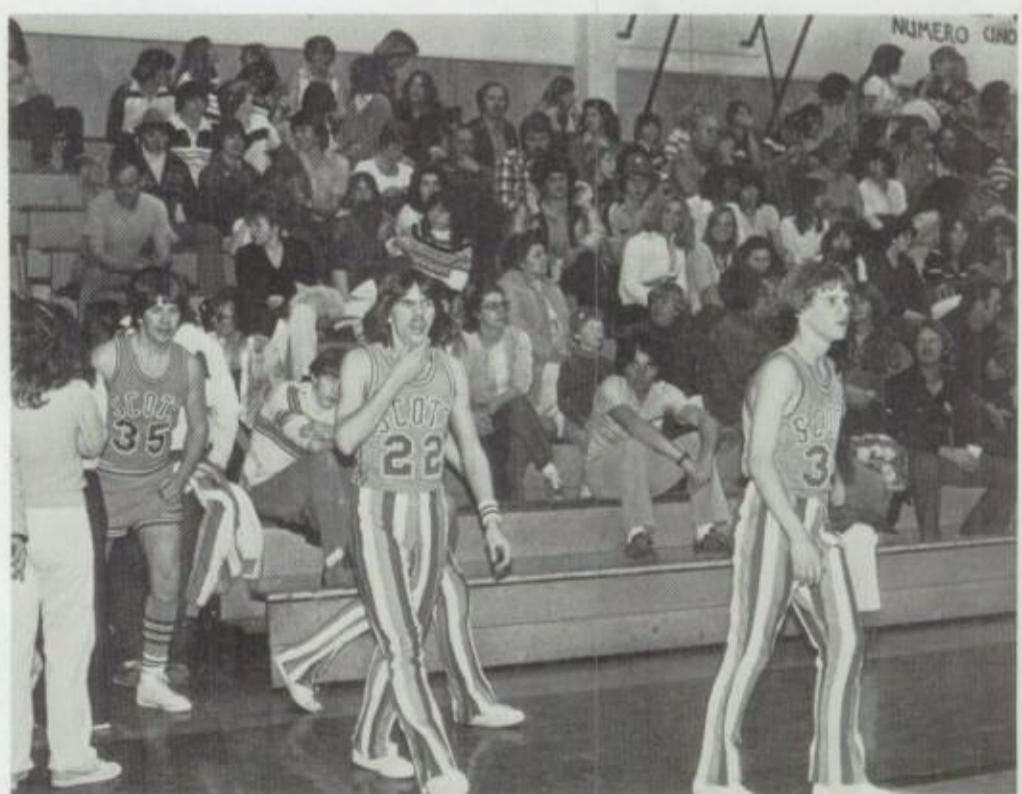

BEST IN SUNKIST LEAGUE

Our Varsity Team has been able to prove that their spirit ranked the highest over all the others within the Sunkist League. With the support of the crowd behind them, they showed everyone just how exciting a basketball game could be. Many times, the suspense of the game came within the last few minutes which is where our team really showed how well they could handle the ball.

We regret that many of our varsity players will not be back next year, but we know that it will not stop the Rim High spirit within the players and the crowd.

Team Members include: Ed King, James Biggs, Steve Hewey, Steve Jacobs, Jeff Burbach, Scott Houg, Sean Appleton, Ken Carpenter, Ray Ruppel, Bob Oaks, Tino Romero, Mike Snow, Doug Ellithorpe, Dave Callahan, and Scott Chester. Coach is Fred Miller.

Varsity Stat People: Dana Ollila, Tom Farrell, Linda O'Connor.

JUNIOR VARSITY BASKETBALL

— FUTURE STARS

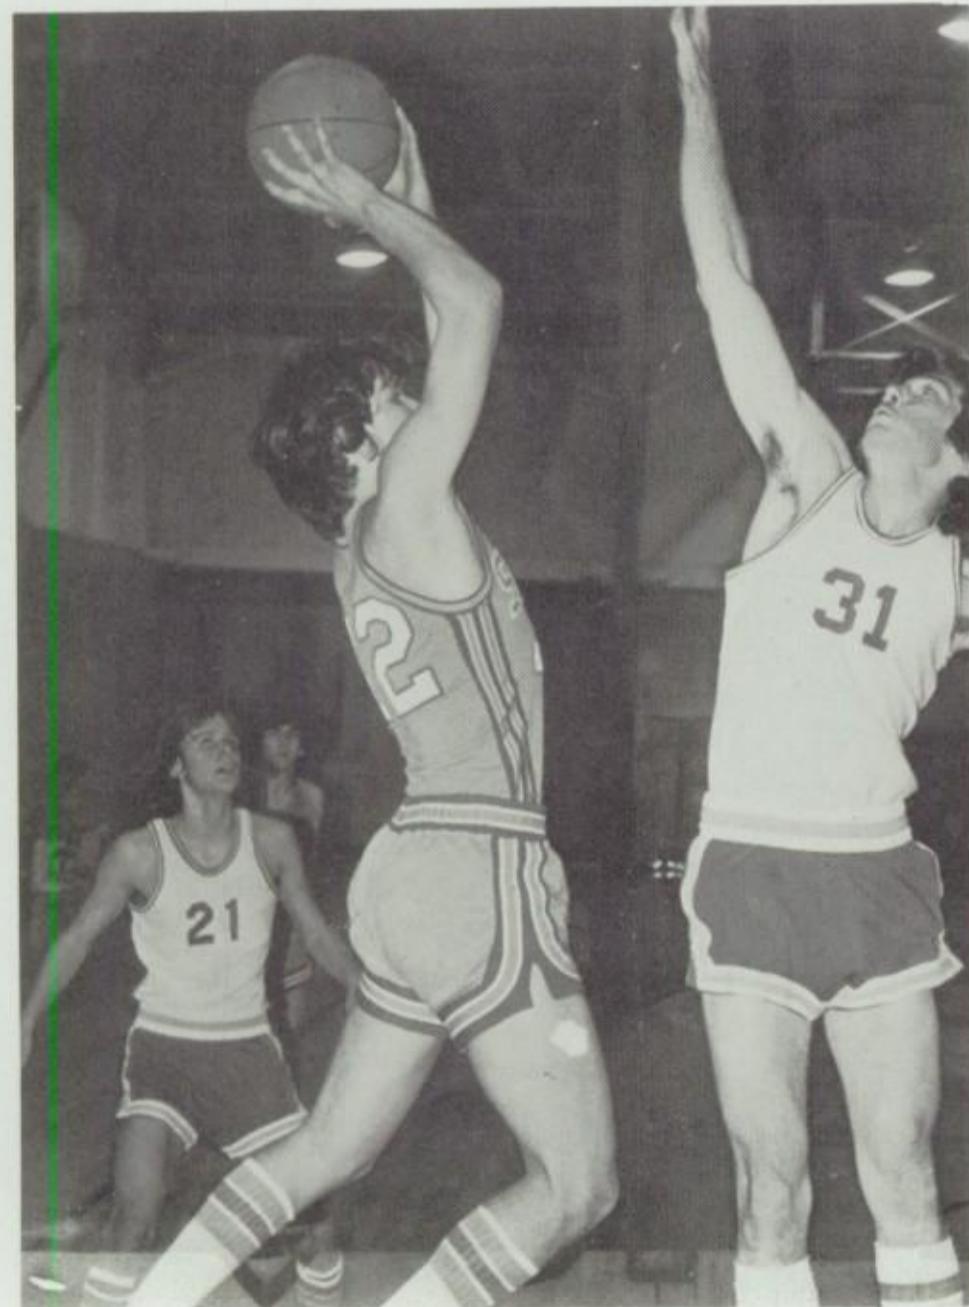

Our J.V. Team has proved to us that with their good sportsmanship and their fine handling of the ball, we have a lot to look forward to next season.

We know that though we will lose some of these players to varsity, many members of the team will remain to uphold and improve next year's league standings.

Next year holds much practice, hope, and determination for this J.V. team. We're confident that this group has and will have the full support of Rim High. Team members include: Scott Parks, John Pagel, Roger Moedl, Rob Von Kaenel, Brian McClintock, Paul Cavanaugh, John Lubisich, Dave Bejanmin, Frank Gradillas, Phil Warren, Greg Keith, David Chelsey, Mitch Callaway, Craig DeCarlo, Guy Hargreaves, Eric Trippe, Kevin Martin and Jerry Bas.

WRESTLERS DO IT ON THE MAT

VARSITY WRESTLING 1979-80. This year Rim completed one of its most successful wrestling seasons in 15 years at Rim High School. The team wrestled its toughest schedule ever and emerged with 11 wins, 4 losses, and 1 tie against mostly large, class 4A schools. Rim captured the league championship for the 12th year out of 14 years under the coaching of Mr. John Beresford. The team wrestled in 9 major 16-team tournaments this year and won 3 first place trophies, 1 second place and 1 third place while never placing below 6th place. The team will lose 9 varsity wrestlers to graduation but a strong J.V. team is expected to continue the winning tradition of wrestling at Rim High.

Though mother nature was slow in providing adequate snow conditions, she finally pulled through with a flurry of snow storms towards the end of the ski season. Though there was not much competition on a local level, all team members competed in the extremely tough Far West races that were held at various ski resorts in and out of California.

Team members include: Julie Wagner, Debbie Biehler, Dan Wagner, Dana Biehler, Dan Porges, Danny Lupear, Tim Hubbs, John Hubbs, Eric Rindhal, Todd Sessions, Bob Hoffman.

SOFTBALL IS A BIG HIT

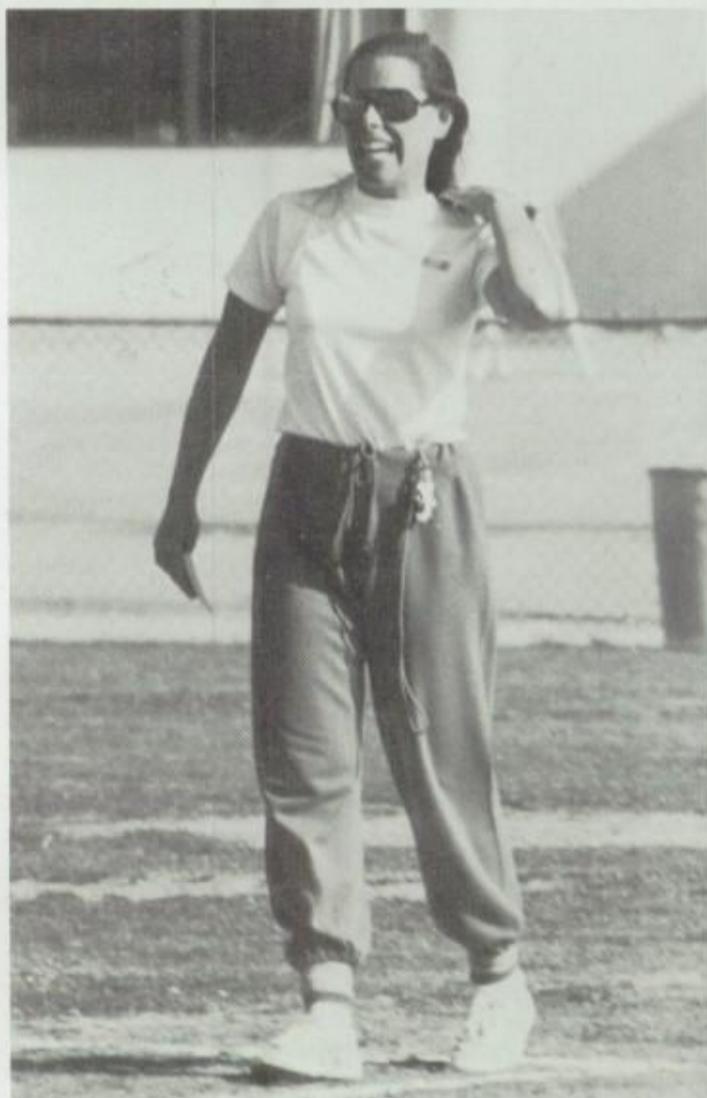

The Varsity Softball team has hopes of maintaining the title of League Champions, a title they have held for the past four years. The team is quite young, but not inexperienced. The team is composed of four seniors, three juniors, four sophomores and two freshmen. The team has sixteen games this season provided the weather complies. On the subject of outstanding players, coach Thompson said, "They are all outstanding players or they would not be on the varsity team at Rim."

Team members are: Michelle La Marr, second base; Angela Malizia, out field; Diane La Berge, out field; Denise Hargraves, first base; Rita Iacono, short stop; Jan Rasmussen, first base; Dawn Bolles, out/in field; Natalie Woerth, third base; Denise Geller, pitcher/short stop; Tiffany Nyrkanen, out field; Bev Featherstone, catcher; Stacy Sunny, out field; Patty Goodwin, third base; and Leann McCreary, in/out field.

J. V. STRONGER THAN EVER

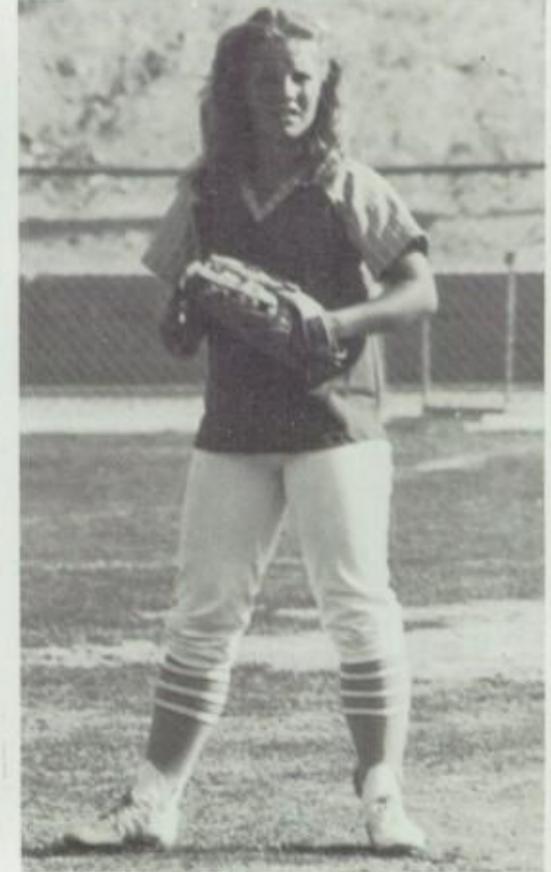

Even in softball there was a hint of anticipation. Coaches Bill Dickson and Debbie Wogen expected a super season and got what they had hoped for. This is the first year of coaching the J.V. Softball team for Debbie Wogen. Her winning ways inspired the team to one of its most successful seasons. The 1980 J.V. Softball team was the largest group to be carried on any J.V. Softball club. The strength of the team was held mainly in the area of pitching, while the whole team contributed greatly to its success.

One of the highlights of the season was the defeat of the 4A Rubidoux High School.

Team Members include: Sue Bock, Julie Ham, Lori Millsap, Debbie Nunn, Ginny Terry, Glendy Beye, Dana Biehler, Debbie Biehler, Lonnie Paulus, Sue Rogers, Jackie Simons, Kelly Simons, LeAnn McCreery, Carolyn Eide, Colleen Miranda, Diane Monniger, Nancy Montes, Deneen Fate, and Judy Miller.

At the beginning of the baseball practice season the players experienced many problems due to the seemingly ever present rain and snow which caused the team to stay indoors during the first and most crucial months of the season. Though the team was at a great disadvantage compared to other league teams, they proved their strength and ability by doing extremely better than recent teams here at Rim. Under the direction of two very knowledgeable and experienced coaches, Mr. Chuck Webb and Mr. Tim Steele, the team gained hope in their quest of league victory.

SCOTS J.V. BASEBALL

The 1980 Junior Varsity Scots had a little better conditions with the weather this year; they, at least, got some practice on a real field before the season opened. Their new coach, Coach Ed Burns, started them off well. They went 4-1 in pre-season games defeating Rubidoux, Aquinas, Beaumont, and Ontario Christian.

The Varsity Track team is really showing us that they know what they're doing. At deadline time, they have only had one meet, the 29 Palms Invitational, where boys' varsity placed 3rd out of 11 teams. This team looks good with all its returning runners and some excellent newcomers. We have had perfect training from our 4 coaches, Mr. Moore who coaches everything; Mr. Stephens who trains the jumpers and throwers; Mark Canter who instructs the sprinters; and, Mr. O'Bar who works the distance. With such individualized help, we know we have the best team yet.

LEADERS OF THE PACK

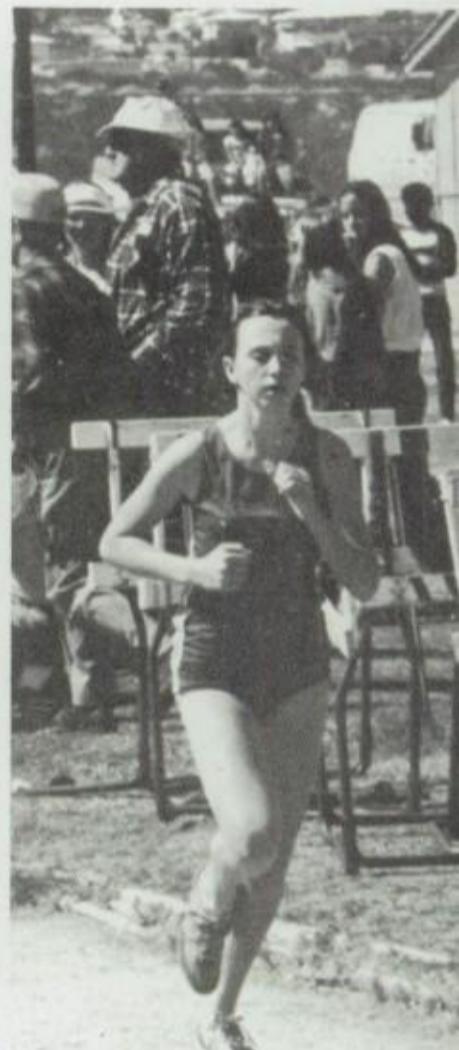

The boys' J.V. Track Team did an outstanding job at running right away from their competitors. Along with super stars Mark Kopang, Greg DiCarlo, and Brad Mayo, this team worked as a team! The team members names are as follows: Front Row — (L to R) Brian Johnson, Greg DiCarlo, Joseph Keel, Robert Hoskins, Lenny Colton, Darren Dotter. Middle Row — Jayson Meyers, Mark Couch, Matt Furness, Chris Mann, Mike Hoff, Brad Mayo. Back Row — Craig Cunningham, Jack Severns, Tim Fuette, Mark Kopang, Bob Snider, Mark Miller, Dave Hopkins. With the super coaching of Paul Moore, Rip Stephens, Earl O'Bar, Mark Center, these boys sought their best and remained at the top. The track team was appreciated by all students for upholding the reputation and pride of their school!

GIRLS' TRACK MAKES A RUN FOR IT

Girls' Track team members include: S. Cipich, R. Cole, S. Crissman, T. Cronk, M. Culbreth, K. Edgar, G. Evans, A. Evenson, M. Harris, M. Hempfling, M. Hoff, L. Klinkhart, H. Plumb, A. Quijas, R. Roberds, L. Walsh, K. Gregson, S. Smith, K. Shaw, C. Housley. Coaches include: Paul Moore, Rip Stephens, Earl O'Bar, and Mark Canter.

Girls' Track, over the years, has grown a lot; the team had over 25 girls! Compared to the first years when they had only 5 girls, the team has come along way! Because of the mild weather, track had the opportunity to run outside rather than in the halls — even before the first meet.

The girls did exceptionally well at their first meet at 29 Palms against 9 other competing teams. Outstanding event was the 2 mile run where Rim girls placed 1st, 2nd and 3rd — all three breaking all previous meet records! Kelly Edgar came in first.

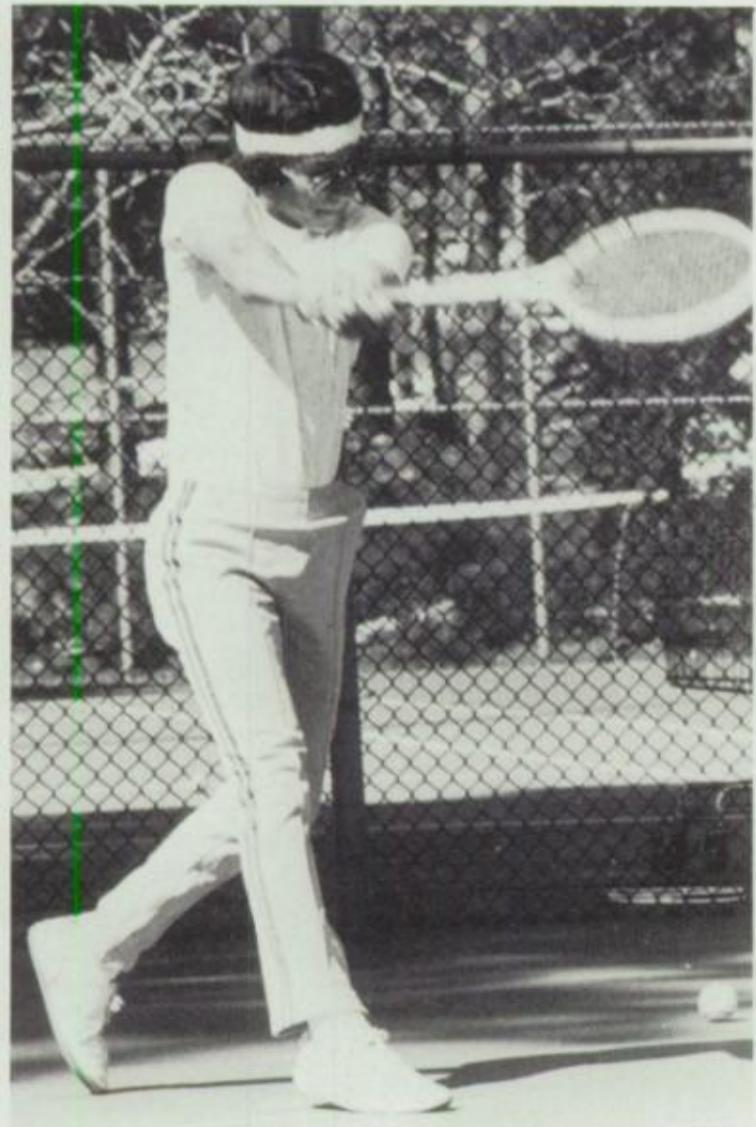

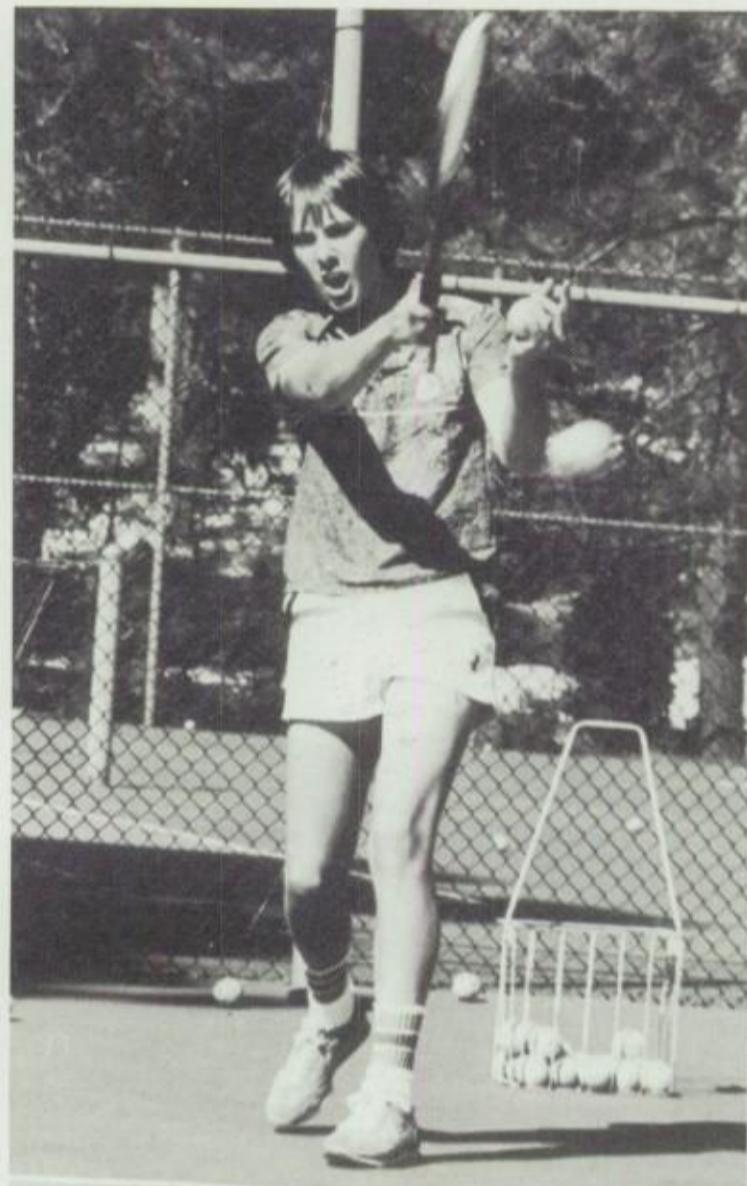

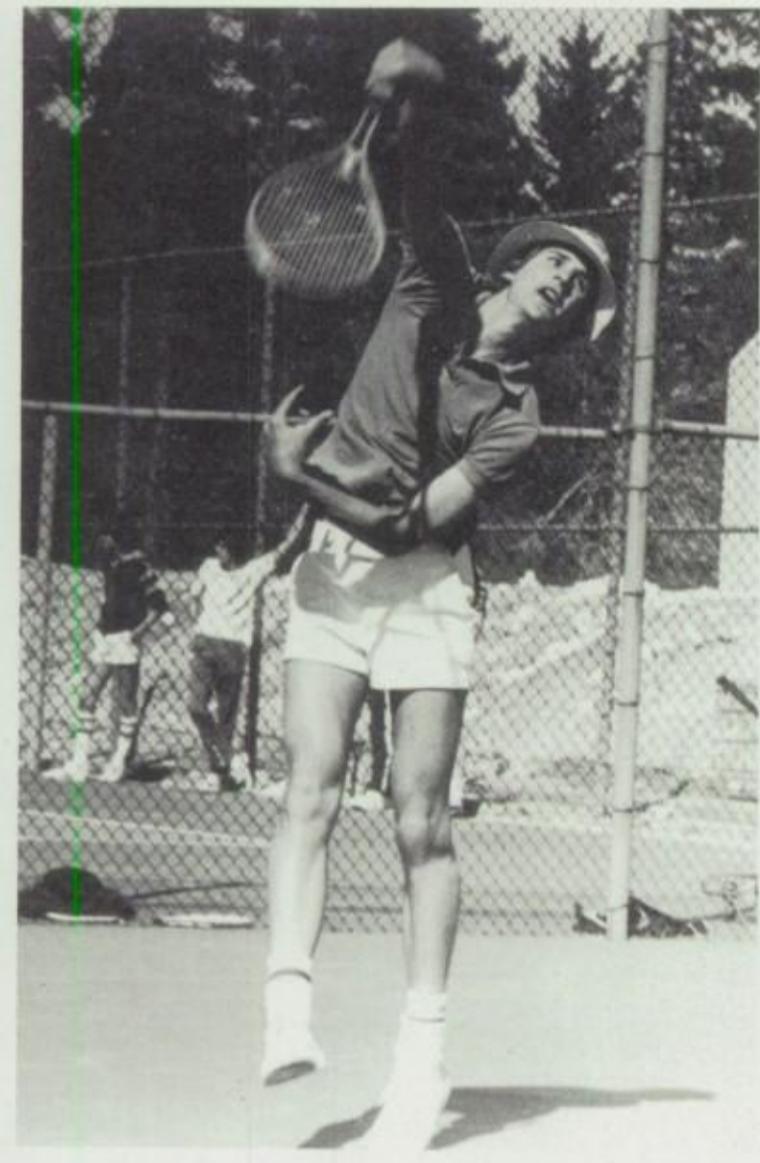

Varsity includes: Front Row — (L to R) Craig Wycoff, Darrell Macias, Scott Parks, Billy Reise, Dave Peterson. 2nd Row — Coach Dan Kutch, Greg Weissman, Brian Cerwin, Jim Bodor, Ken Rubio.

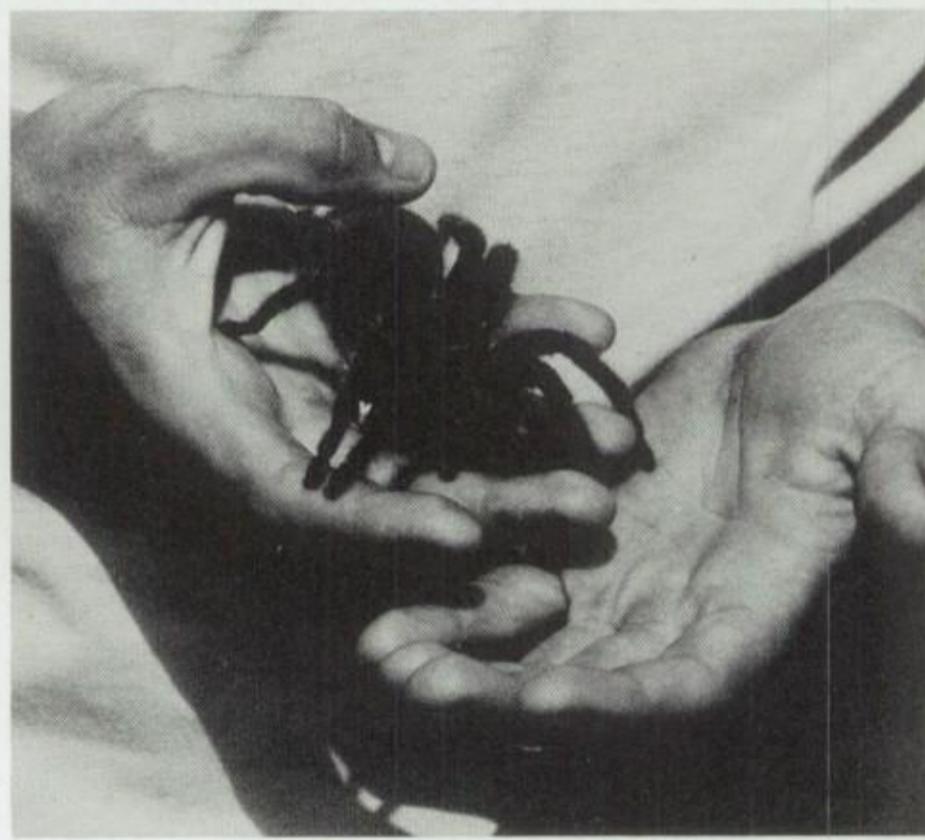

As is usually the case, the players were at the mercy of the ever-changing weather that seemed to never go their way. Though there was not a great deal of snow on the courts, there was a constant problem with either wind, fog or rain; thus, at the beginning of the year, the team played on foreign courts. This is usually a disadvantage for any team, but always shows the dominate team. The team was under the direction of a veteran coach as well as an extremely good tennis player, Mr. Dan Kutch. This proved to be a winning combination as the team went almost undefeated in league competition.

As it had done in previous years, ASB adhered to a four year old democratic constitution. Presiding over the meetings was Tad Martin, ASB Vice-President. commissioners Karla Wilson, Micki Benson, Scott Madden, Steve Hewey, John Dexter, Jeff Burbach, Eve Tompkins, and Rita Iacono helped to keep the meetings running smoothly. Lawrence Stehmeier was ASB president.

Visitors were encouraged and during the year added many new, enlightening thoughts to ASB discussions.

On the 11th of September, the second annual freshman picnic was staged. This tradition was found to be highly successful in orientating incoming ninth graders. During this day of "fun and frolic" the freshman ran races, gorged themselves on ice cream and voted for their class officers. The four people chosen to lead the class of '83 were Kathleen

Shaw (President), Debbie Nunn, (Vice President), Judy Miller (Secretary), and Becky Mosher (Treasurer).

The early autumn months of the year saw an increase in sports activity—

Football started off strong with an Apple Valley scrimmage on the 12th. To "revey" up the ball players and stimulate students, Rim cheerleaders gave the first pep assembly of the 79-80 school year.

Girls' Volleyball and Tennis traveled to Apple Valley on the 13th. Both teams did very well.

Football played Ontario Christian on the 21st. It was the first home game of the year, and to prepare the fans, the cheerleaders put on another pep assembly. That night after an exciting J.V. game, the A team put up a good fight but lost 7-12.

On the 22nd, Cross Country competed with South Torrance, ultimately defeating them.

Football again dominated the scene on the 27th and 28th. The biggest game of the year (aside from Homecoming), "King of the Mountain" was to be played against rivals Big Bear on the 28th. A dance, sponsored by the sophomore class was to follow the game. On the 27th, a 6th period spirit assembly was followed by a night bonfire. At the bonfire, a large stuffed bear was hung while jeers and spirit cries were thrown at Big Bear.

On the night of the 28th, after a J.V. victory, the A team clashed with the cross town rivals. Rim's team played well, but the final score was Big Bear 7, Rim 6.

The beginning of October brought a rising excitement about one of the year's biggest events, Homecoming. The Senior Class was in charge of putting on the homecoming dance and picking the theme for the half time floats. From a number of excellent ideas the theme, "Casablanca, as time goes by", was chosen.

Each class was in charge of choosing their own princess.

The freshmen nominees were Amy Evenson, Kelly Ewing, and Patti Goodwin. Kelly was chosen as the Princess.

The sophomores nominated Denise Geller, Kim Kington and Tanaya Hancock. Denise was picked to be the sophomore Princess.

The junior class nominated Deanna Dotter, Sue Franson and Laura Mickelson. Sue was elected as Princess.

The class of '80 had the most important decision to make: selecting the Homecoming King and Queen. The seniors nominations for Queen were: Denise Best, Karen Brown, Bridgett Goodwin, Kim Graham, Denise Hargreaves, Diane LaBerge and Soni Morison. (The Senior Princess and Maid-of-Honor were the two girls with the second and third most votes.)

The seniors nominated for King were: Dave Anastasia, Robert

Bock, Jeff Burbach, Chip Eck, Steve Grant, Casey Mahoney and Bob Oaks.

The 1979 Homecoming King was Chip Eck. The Maid-of-Honor was Denise Best; Senior Princess was Denise Hargreaves; and, the 1979 Homecoming Queen was Bridgett Goodwin.

The newly elected Royalty presided over both the game and the dance.

The 79-80 Cheerleaders had done a fantastic job contacting former Rim cheerleaders to help guide the crowd and reminisce

on old times. The game was attended by cheerleaders from as far back as 1972.

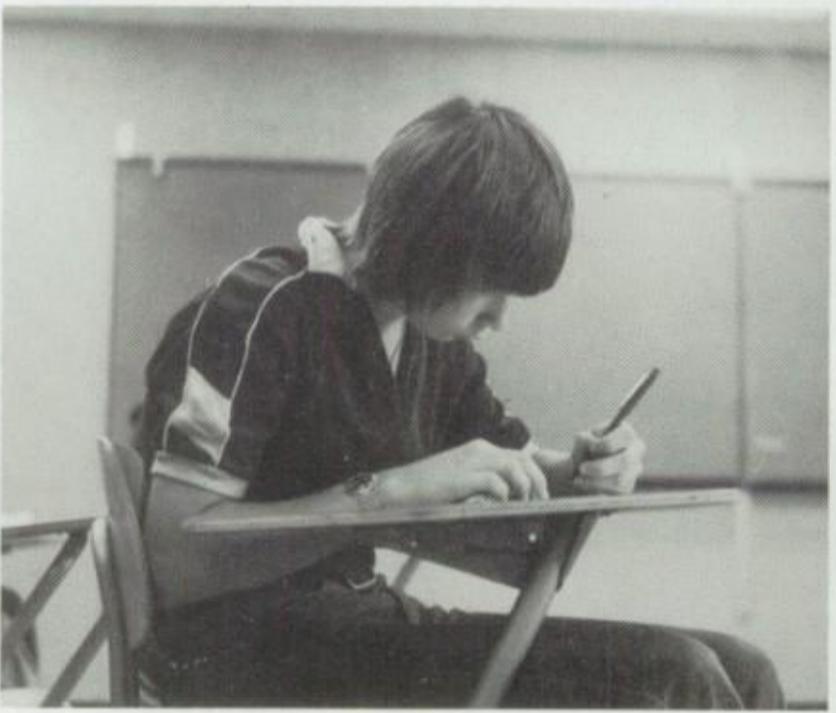

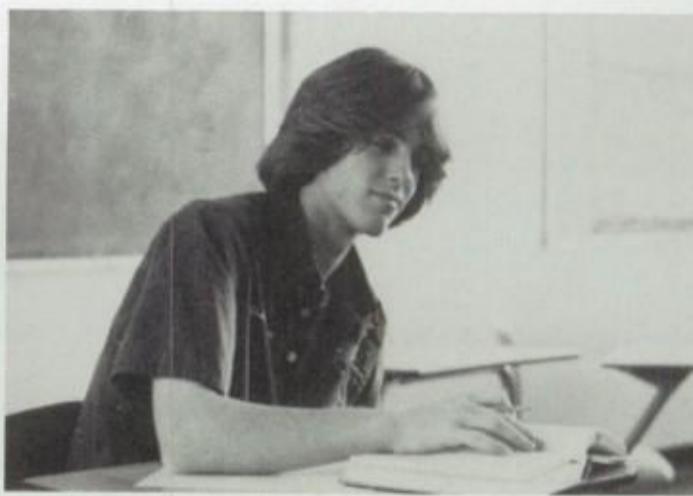

Chaminade Prep. was the school chosen to play against the Scots for their homecoming game. After an exciting game, the Mighty Scots were defeated.

However, the dance was still to come. The seniors had chosen the band "Arch Angel" to play for this festive occasion. Bob Watson was on hand to take formal pictures. The dance started at nine and went to twelve.

The eighth of October was "Parent Night." On this night, students and their parents were invited to meet teachers and tour the school.

On the 11th, the ASVAB (Armed Services Vocational Aptitude Battery) was given.

The week of October 12th through the 18th was a good time

The activities of Homecoming helped to make it the best one ever for our returning graduates. There was float decorating, the caravan and, of course, the Saturday night dance. The homecoming theme was "As Time Goes By." The theme was displayed well in the half time show. The floats were all excellent with the Junior Class float taking first. The band played, the drill team marched and, of course, there was the crowning of the crowning of the Queen and Court. The Queen was Bridgett Goodwin and the King was Chip Eck. The senior class princess was Denise Hargreaves and the Maid of Honor was Denise Best. Sue Franson was the junior class princess; Denise Geller was the sophomore class princess and Kelly Ewing was the freshman class princess.

for sports achievement.

Football played Aquinas (there, lost); Cross Country competed with Pacific (there); Girls' Tennis and Volleyball played Bloomington (here, won); and, Football played Bloomington (here, lost).

On the 23rd of October, the ASB presented the "John Platt Light Show." — which showed the history of the United States in thirty seconds. (Needless to say, it was a short assembly.)

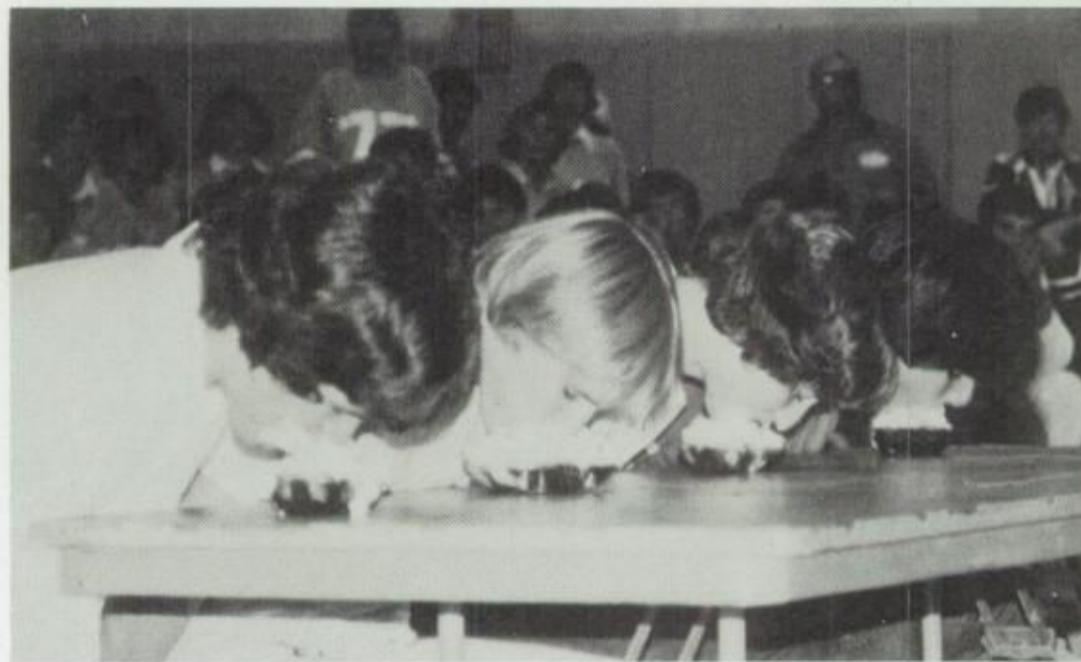

On the 27th of October, the new Marching Band performed in the Anaheim Halloween parade. On the same day, Cross Country competed with Mount Sac.

The next day, both Girls' Volleyball and Tennis played against Banning at Banning.

October 31st, more fondly known as Halloween, Trick or Treat, or Dress Up Day, dawned brightly with many students and teachers turned out to the occasion. Horseback riders, M & M's, and judges were among the many characters portrayed.

The Drama class sponsored the annual Costume Day Contest. The ten dollar prize was awarded to a can of Raid (Rhonda Busby) and some Bugs (Tina Viero and Janet Morley)

The first day of the last month of autumn was "kicked off" again by sports events. Volleyball and Tennis played Notre Dame, both being easily victorious, Cross Country played Perris on that day also.

On the second, Football clashed with Perris on Rim's home turf. Naturally, there was an assembly to root the team on.

"College Night" came on the 7th. It started at 7 p.m. and was geared toward college-bound Juniors and Seniors.

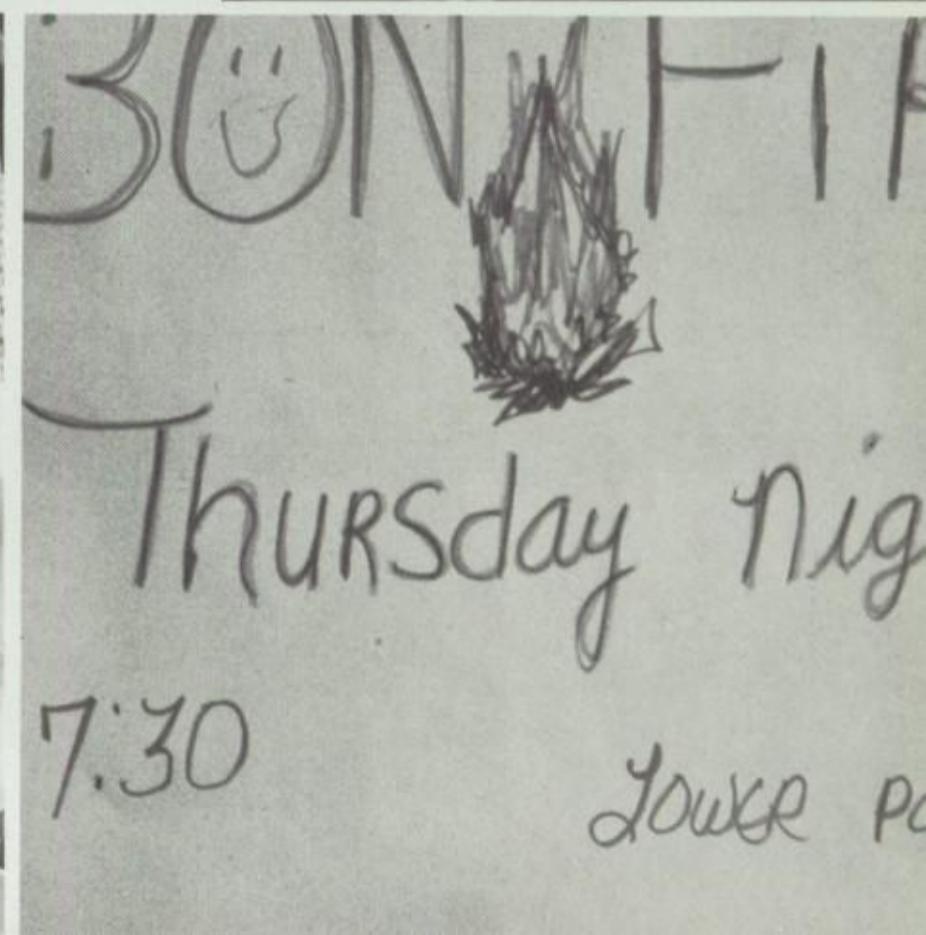

RAA (Rims Athletic Association) put on the November dance on the ninth. The proceeds from the dance were to go for sports. (girls' equipment.)

Cross Country league finals were on the 10th of November. Cross Country defeated Perris and came away with the Sunkist League trophy.

On the 14th, ASB held a three period long seminar. Representatives and Alternates were encouraged to attend. The purpose of the seminar was to make Reps. and Alternates familiar with parliamentary procedure.

On the same day (in the afternoon), Rims's annual "Battle of the Sexes" was played. The game has traditionally been played by the Varsity Volleyball first and second strings — against a team of laymen Junior and Senior males.

The girls' team consisted of: Debbie Carter, Mary Franson, Sue Franson, Bridgett Goodwin, Rita Iacono and Michelle LaMarr. The second stringers were: Lori Dudgeon, Kate Mahoney, Janet Rassmussen, Sue Thompson, and Traci Velarde. The boys'

team consisted of: Brent Bon, Jeff Burbach, Keith Ellis, Mark Monninger and Bob Oaks. The girls won the first game 11-9; lost the second 9-11; and came back to clinch the title with a third game win of 13-11.

The 17th of November was the beginning of the Band boosters Pizza Sale. During this time, Band members sold pizzas as a fund raiser. The pizzas were assembled by the Band and delivered to the customers (to freeze or eat).

The 20th of November brought the "Queen of the Mountain" basketball game to Rim. "Cross town rivals," Big Bear battled Rim's team at 7:30.

The next day, the Air Explorers showed the years first movie ("The Great Waldo Pepper") and ended their canned food drive for needy families. This was a program designed to give a few families foodstuffs for a happy Thanksgiving.

Rim was treated to a "concert" (of sorts) presented by L.A. Turnaround on November 29. This assembly was provided for by ASB and open to all students.

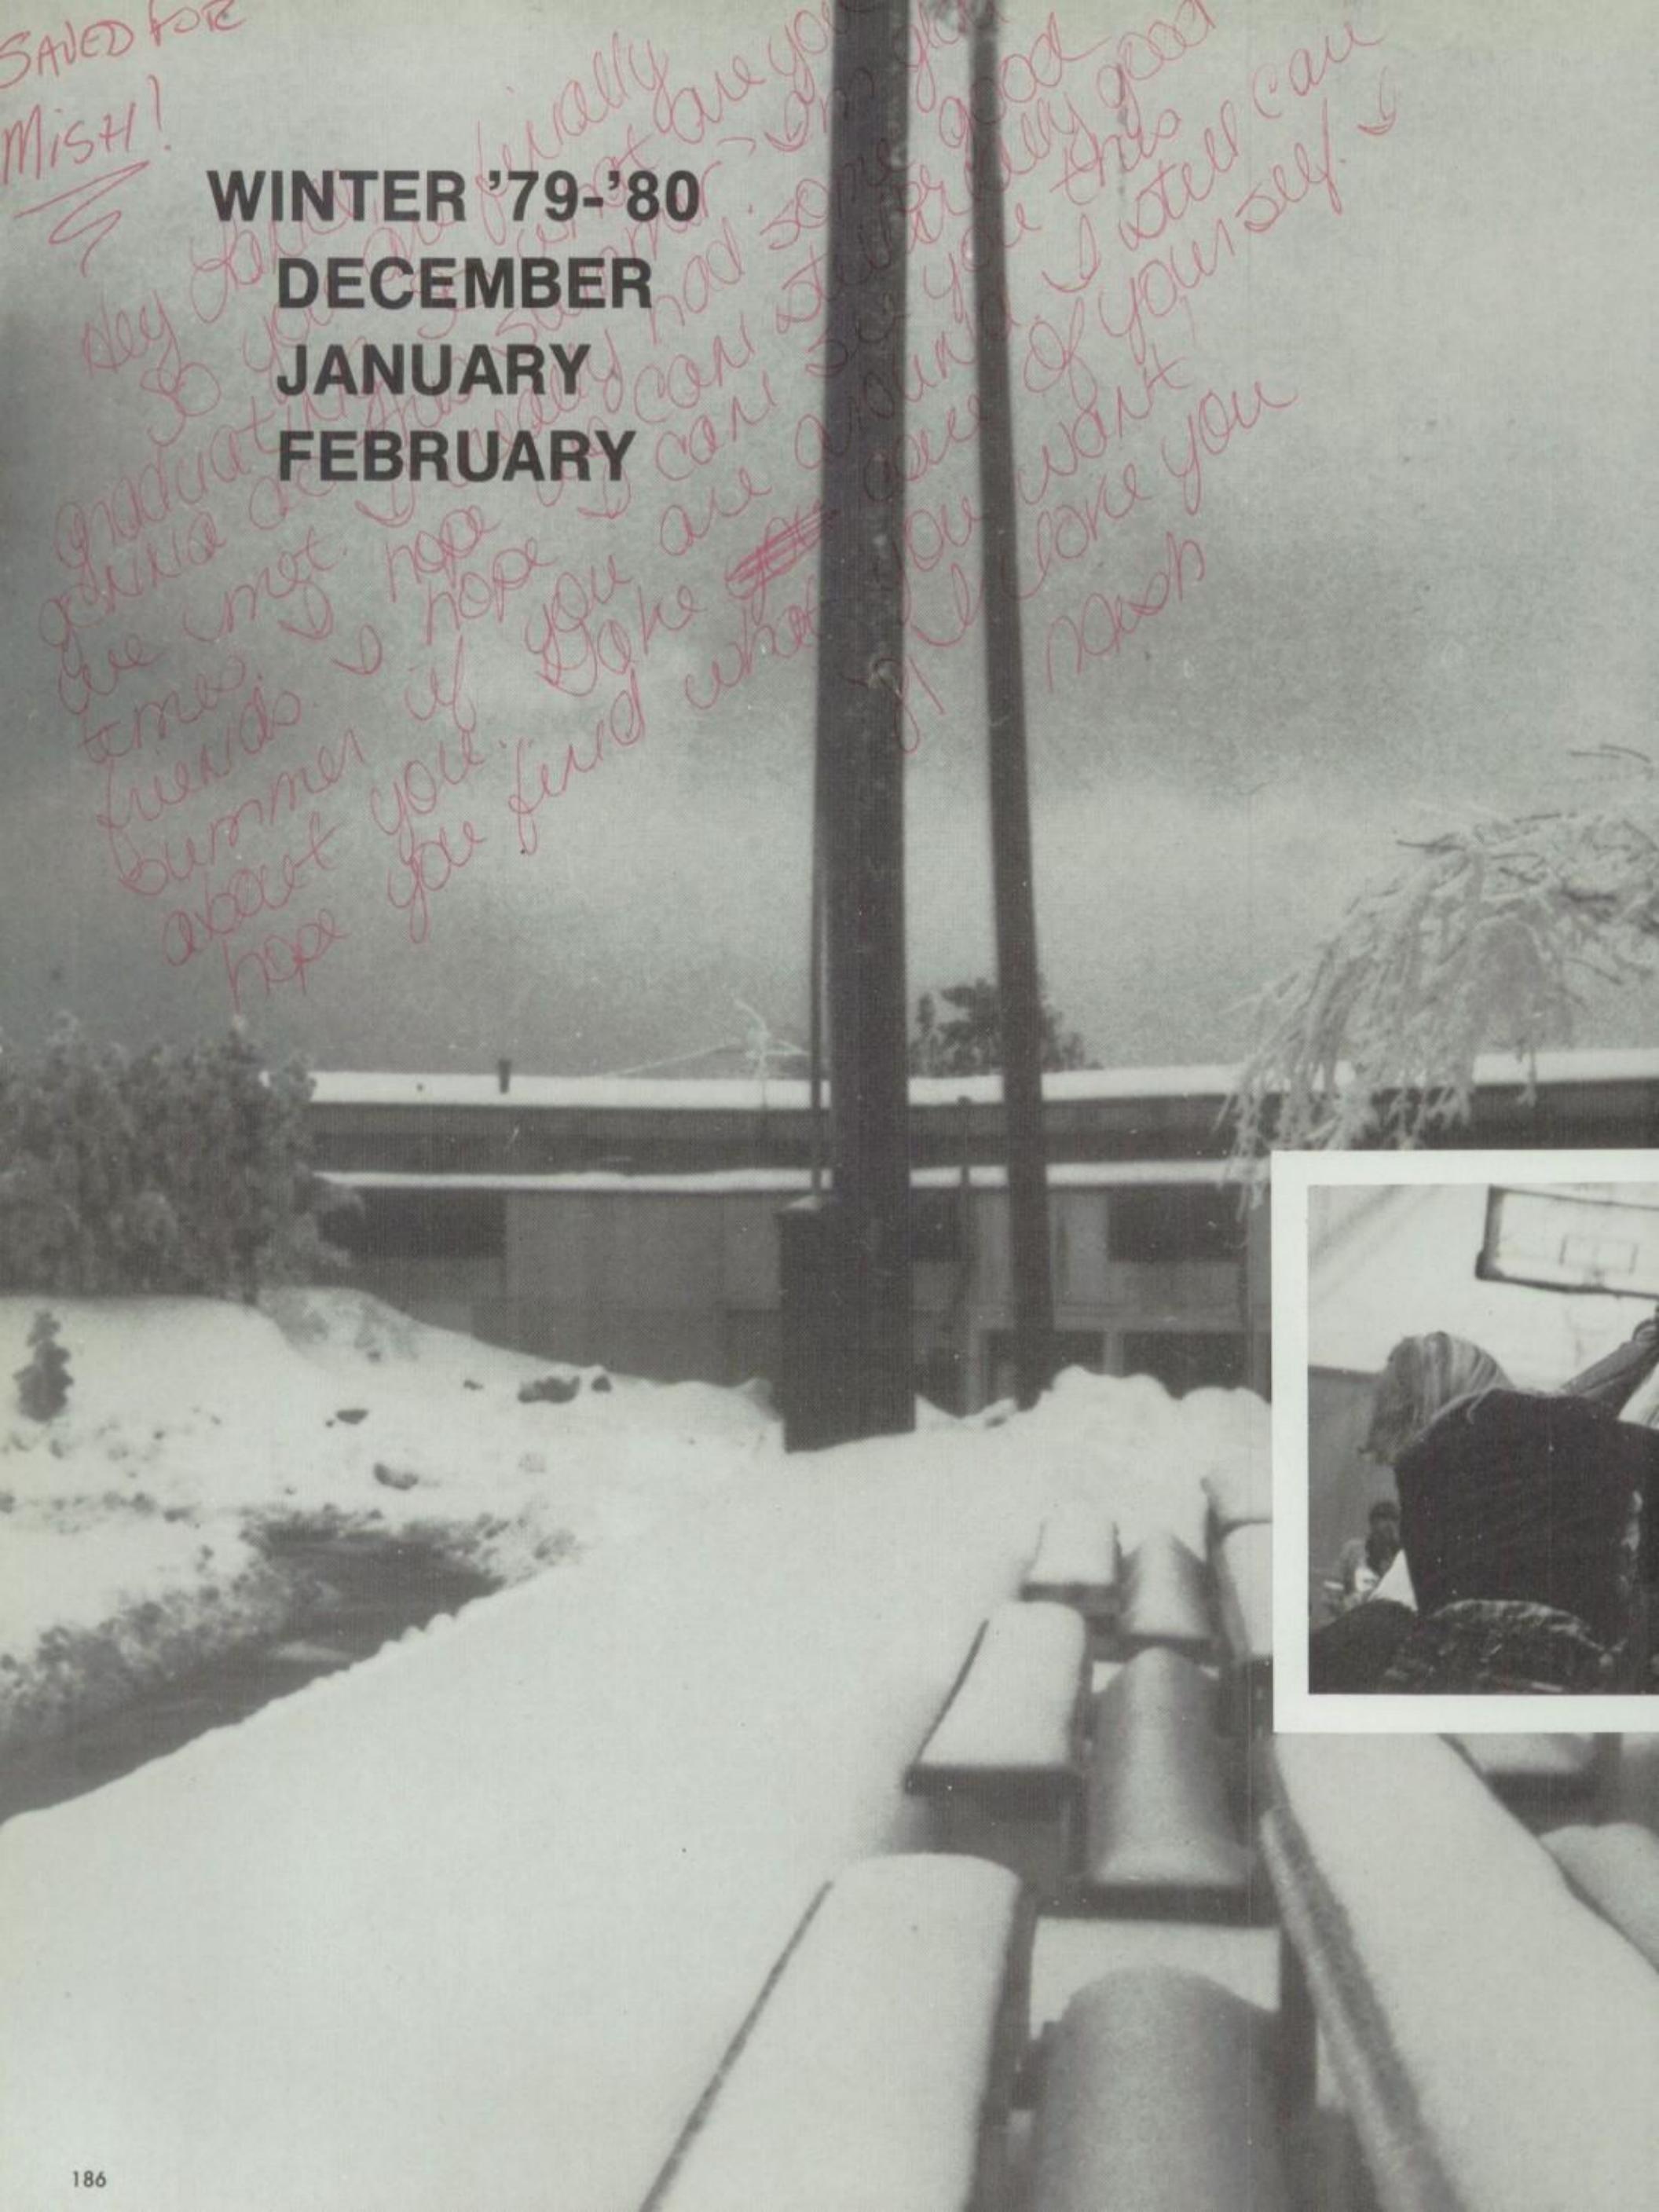

The last day of November (and also the final day of fall) featured the Varsity vs. Faculty Basketball game. Naturally, experience won over brains, and Rim's team toppled the Faculty.

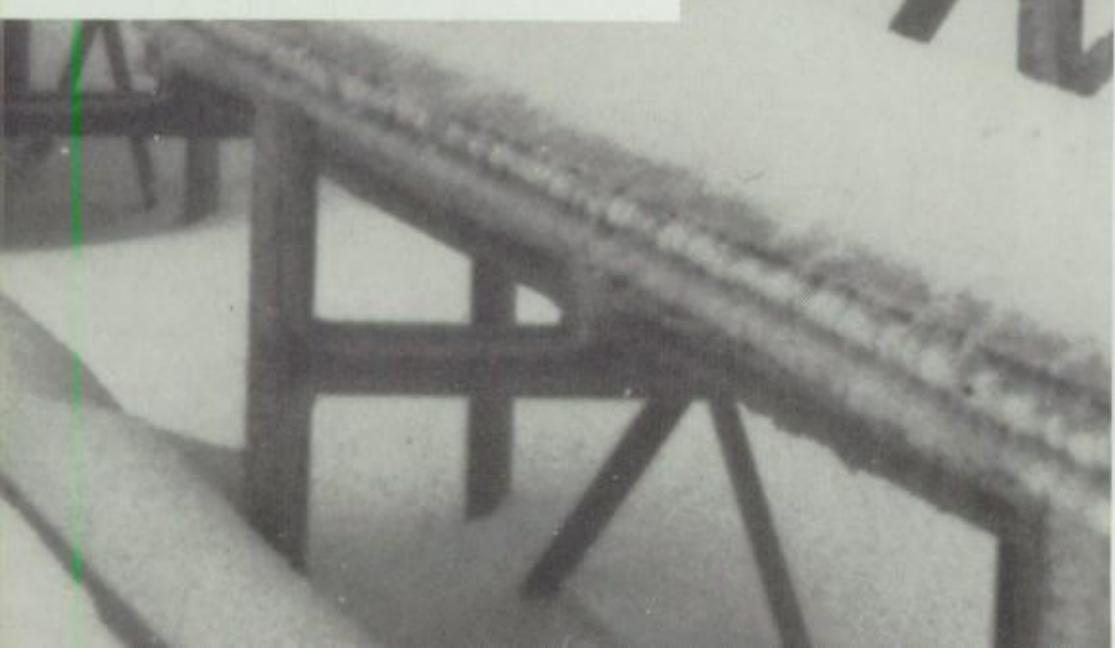

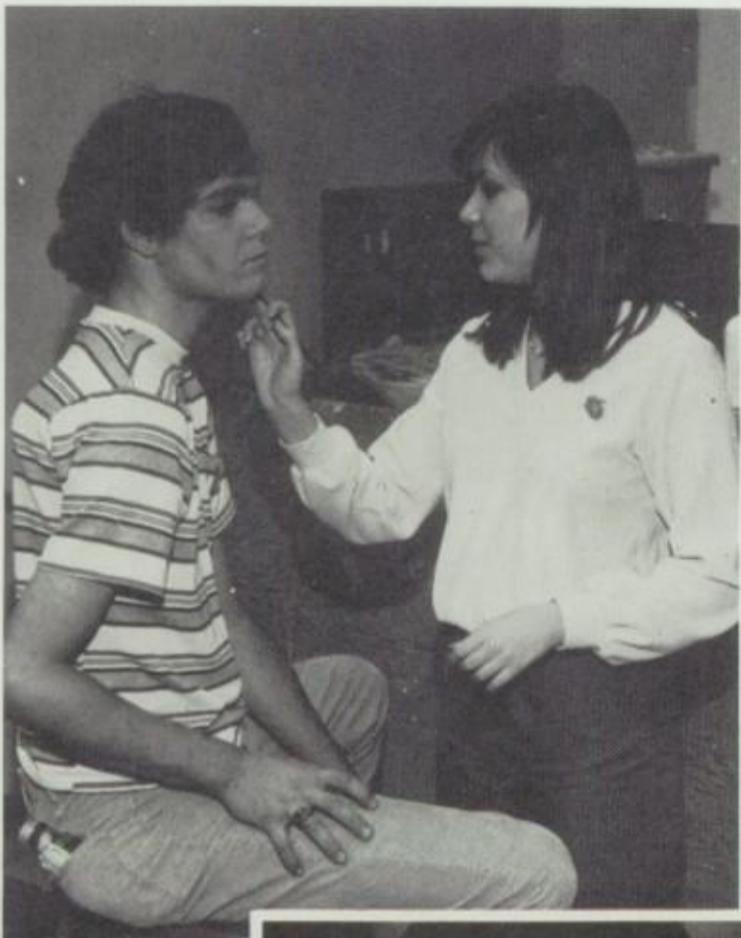

That night, the seniors sponsored a dance with "Arch Angel" as the band.

**WINTER '79-'80
DECEMBER
JANUARY
FEBRUARY**

Snowflakes, skiing, sleigh rides, mittens, blazing fireplaces, hot chocolate, and cold rosy cheeks, just begin to list the images that come to mind when one mentions "winter." It's Jack Frost's season: a season of sparkling wonder and twinkling excitement.

Christmas is the happiest and busiest time of year for millions. It is a joyful holiday celebrated in many different countries, each with its own uniqueness.

Rim, in itself, is like a small country. Christmas was celebrated throughout the month of December. Good spirits managed to surface, and there was even an occasional smile in the bunch. The somewhat dreaded hustle-bustle was eagerly awaited by all, for this meant we would soon be retiring from school for vacation.

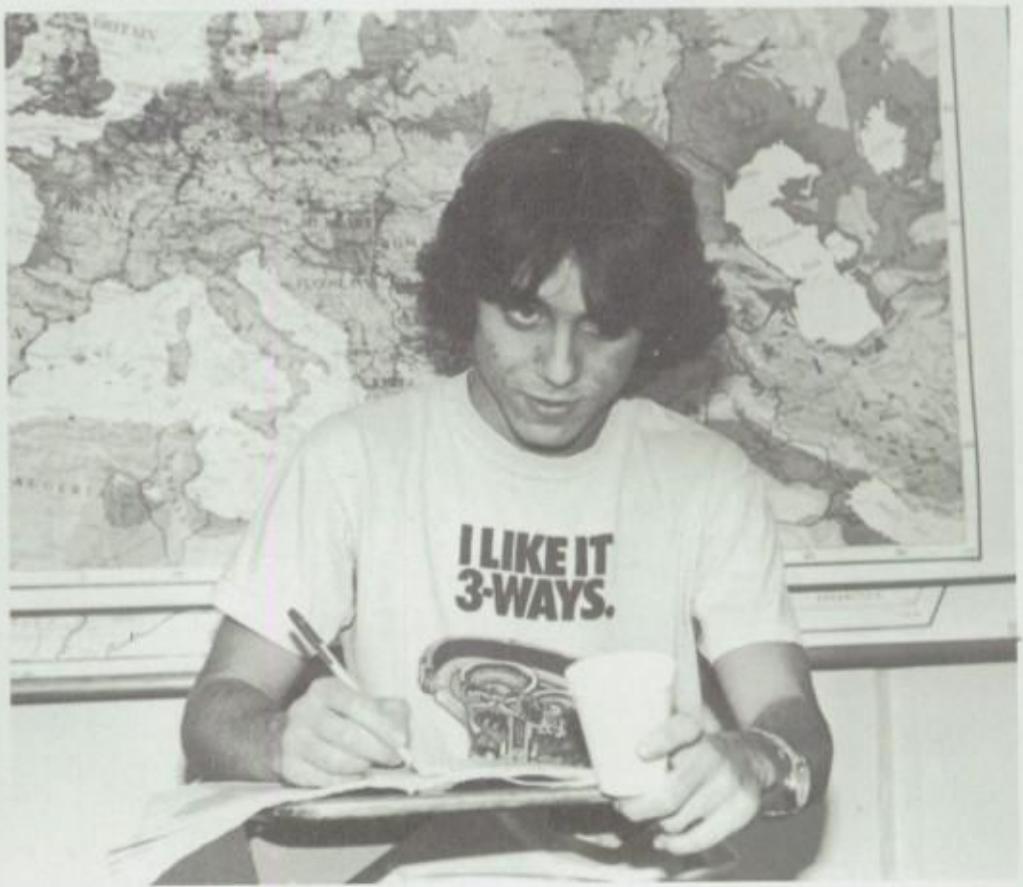

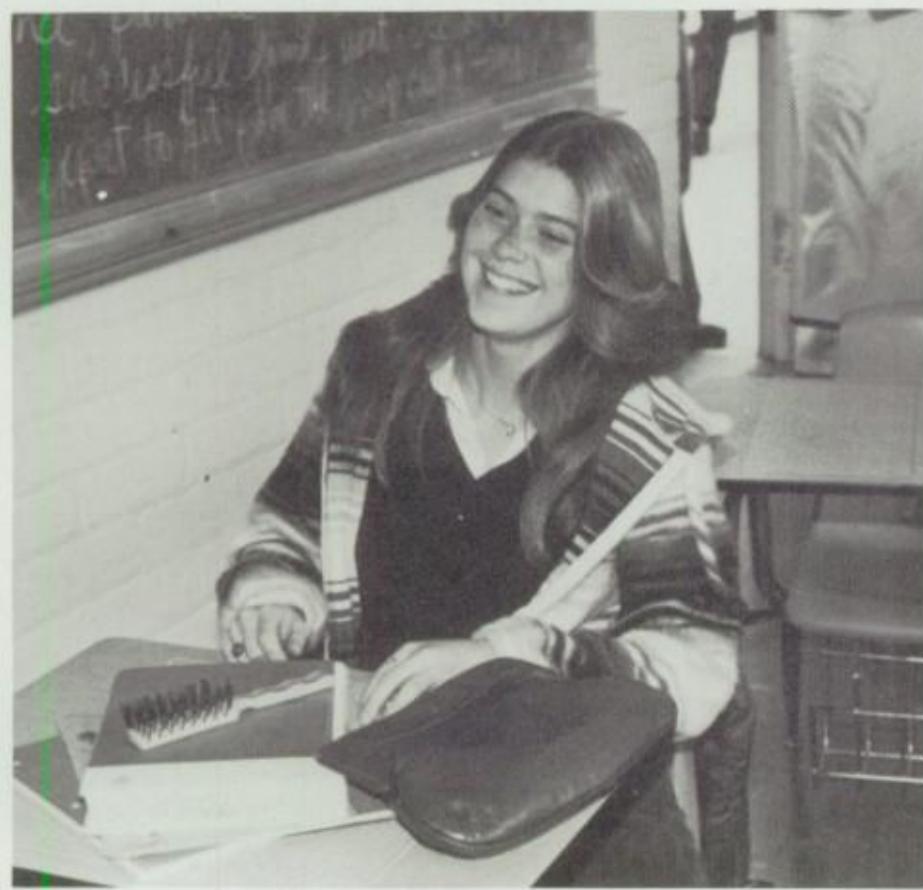

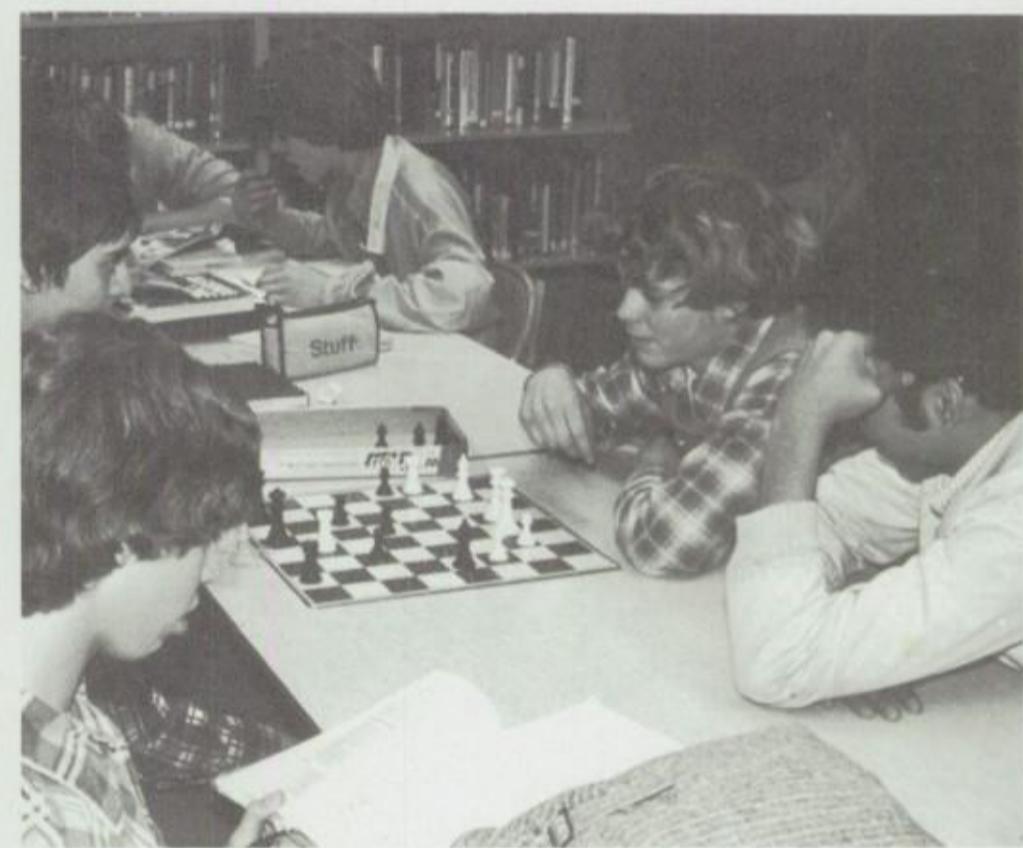

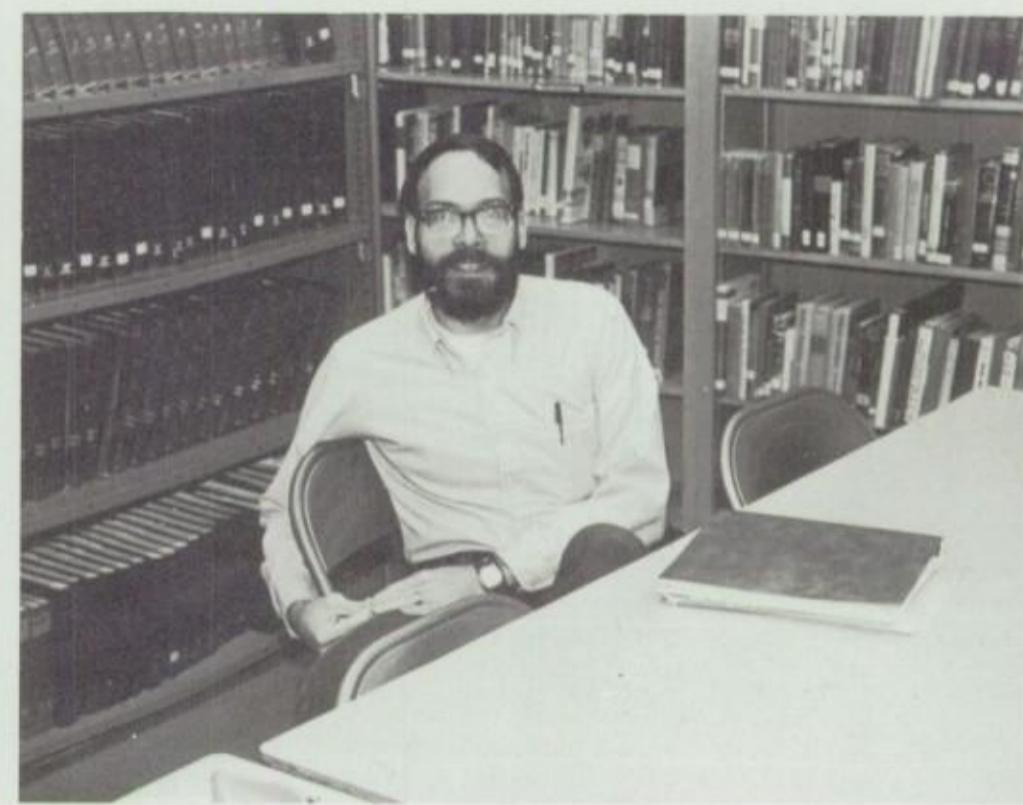

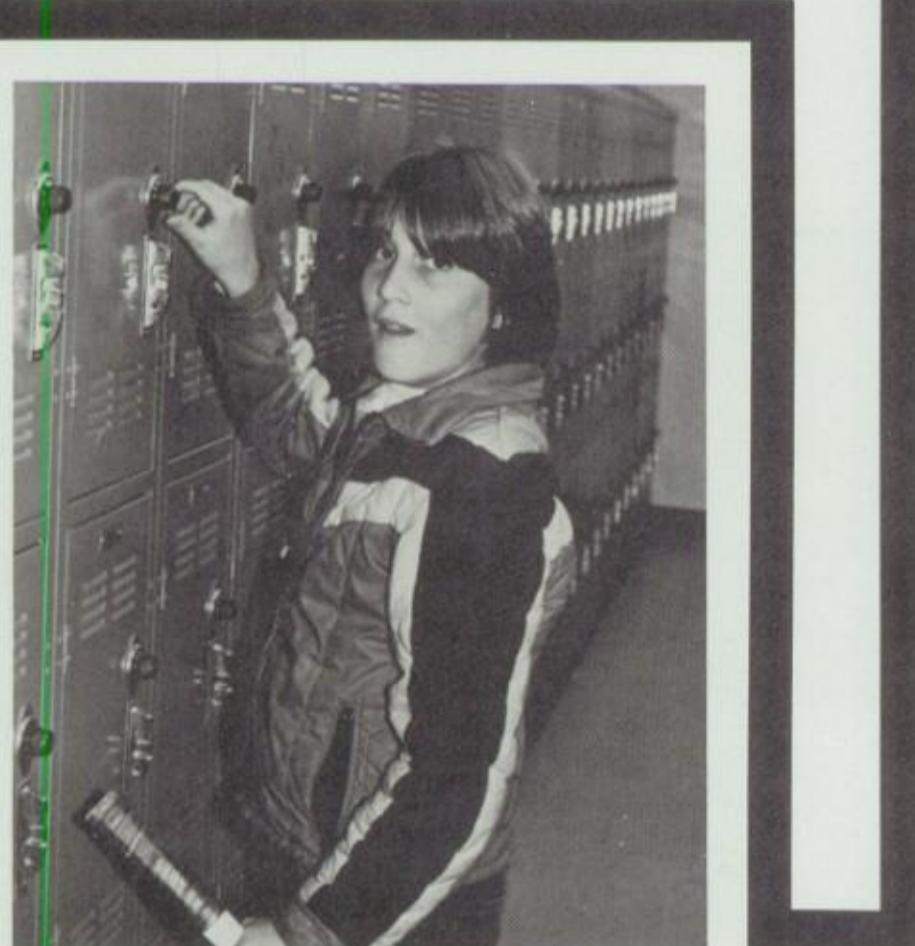

December 1 brought in Christmas tiding as the

Marching Band participated in the first of two Christmas parades. The day at Redlands was completed, and a parade was given in Crestline. The following weekend, the Marching Band attended another Christmas parade. This time it was held in Yucaipa. On Saturday, December 16, the Concert Band gave a concert.

On Monday, the 17th, we returned to school and noticed a definite change in the environment. Could it actually be we got new carpeting and paneling? No, but something was different. Why, look! There were pretty Christmas decorations hanging from the ceiling and all through the halls.

The next Tuesday, Dec 18, the choral groups performed in the annually held Christmas program. Just another outlet for talent that roams the halls of Rim.

MARATHON BASKETBALL — Surely one of the years most exciting events was the basketball marathon. Although not an official school activity, many students, teachers and businesses donated time and money to help the players try to break a world basketball endurance record. The players were: R. Hayhurst; P. Sala; J. Burbach; S. Hewey; T. Romero; T. Sandoval; C. Cunliffe; M. Vidano; B. Hoffman; B. Burr; Referee, S. Madden.

Many thanks to the following businesses who donated money: Alpine Jewelers; Arrowhead T.V. & Appliances; Blue Jay Mall Barbers; Carousel Stationers; Cedar Glen Auto Body; Cheries Fashions; Country Furniture; Fay Boileau's Sportswear; Fidelity Federal; Geniis; Giandomenicos; Goodwins; Lloyds; Lofton Welding; Lords and Ladies; Medical Arts; Nicolas Tompkins and Co.; Rim Lanes; Sew Fun; T.G.&Y., San Bernardino; Victor's Hair Care; Walt's Union Station; Western Auto; Yesterday's; Yvone Interiors.

S.I.C. — The School Improvement Council brought about quite a few visible changes this year at Rim. The Council, which meets biweekly, is responsible for reviewing new pilot courses and implementing them. Some of the target courses this year were: Great Issues, Discussion and Debate, Senior Honor Science, Autobiography, and independent study. The Council also looked at graduation requirements. The suggestions from the various departments were also weighed by the Council. Members were: Mr. Lakatos, Mr. Vom Steeg, Mrs. Hardt, Kathleen Trippe, Robert Bock, Mr. Meier, Mr. Gayl, Mr. Matthews, Mr. Lane, Mrs. Swinnerton, Mr. Tipton, Mr. Beresford, Mrs. Cochran, and Mr. Buchanan.

EXCHANGE STUDENTS — This year, as with every year, Rim High sponsored quite a few foreign exchange students. Rim has one major exchange program: AFS, but YFU, Rotary, and Scandinavian Exchange all have sent students to Rim. We were fortunate to have three "visitors" during the '79-'80 school year: Barbara Schmidinger (lived with Stehmeiers), from Switzerland; Michele Wilson (lived with the Showalters), from New Zealand; and, Tammi Sasaki (lived with the Akins), from Japan.

Rim also sent students to "far away" places. Jeanne Forsythe went to Australia, Soni Morison went to Kenya, Sherree Stehmeier went to Norway, David Callahan went "southern" to Panama. Lisa Andrews went to Australia, and Jeannie Parks went to the Netherlands. In January, Jenny Wardrip returned from South Africa.

An exhausted Marathon player — Bruce Burr.

Visiting Students: (Top) Tammi; (Left to Right) Barbara and Michelle.

Rim's Regional Occupational Program or ROP was excellent this past year. This was probably due to the great job that Mr. Howard Cripe has done. By the second semester it was obvious that all the hard work that Mr. Cripe put into this off-campus program was worthwhile.

The ROP program was specialized and oriented towards helping students get jobs. Though the students did not receive wages for their work, they did get a maximum of 30 credits, without a grade, depending on their effort and attendance. At the end of each semester, the students received certificates. On the back of their certificate was stated exactly the areas of their field in which they had been trained.

This year's ROP program included 8 different areas of training: teacher aide, retail grocery trades, pre-school aide, fire science, nurses aide and orderly, financial operations, sales and merchandising, and police science.

The teacher aide program was conducted at different elementary schools throughout the district. The students were trained in areas which would help them decide whether they would be interested in becoming teachers or teachers' aides. The pre-school aides were trained at the nursery school in Rim Forest. They were familiarized with the job of a pre-school teacher.

The retail grocery trades program met at Goodwin's Market in Crestline. They were trained in all the major areas of running a market: meat packaging, produce, checking, baking, etc.

The fire science program met at the Lake Arrowhead Fire Department. This also included three eight-hour shifts on their own time while enrolled in the class.

The nurses aide and orderly training was at the Mountains Community Hospital in Lake Arrowhead during first and second periods. Students were involved with real situations as well as simulations while being trained at the hospital.

After school, the financial operations students were trained in banks and savings and loans on the mountain. They worked with tellers and accountants for the most part. The sales and merchandising students were trained in the afternoons in local businesses in their communities. They learned some of the behind-the-scene jobs associated with running a business.

The police science class met three nights a week at the sub-station in Twin Peaks. They were required to wear an ROP uniform and along with their classroom experience, also worked at the rifle range, and had the chance to ride in the cars on field work.

The ROP programs were very well planned and are expected to increase in both quantity and quality in the future.

The past ten years were a time of triumph and tragedy for our world. All of the events that effected our lives would be too numerous to mention, so we have selected a few of the more prominent events of that period of time known as the "70's."

Let us begin at the beginning. The year, 1970, Vietnam wound down, and people became more concerned with pollution, crime, inflation and unemployment. We experienced the first U.S. Postal strike. The first Strategic Arms Limitations Treaty was discussed between the Soviet Union and the U.S.

In the entertainment field, the Beatles dissolved and "Sesame Street" hit the TV screen. "Tommy" introduced the world to rock-opera. "Hair" became the first hit rock musical, and the country began singing songs like "Aquarius," "Let the Sunshine In" and "A Boy Named Sue."

The most noteworthy event of 1970 was at Kent State University. A large number of students demonstrated against President Nixon's announcement to send troops to Cambodia. The National Guard was called in to insure security. The guardsmen opened fire, killing four students.

The Pentagon Papers were published, exposing the United States' involvement in the Vietnam War. A revolt at Attica State Prison resulted in the deaths of 40 people after police stormed the prison.

The space program saw an end and a beginning in 1972. Apollo 17, the last of the lunar missions, went to the moon and the Space Shuttle program was approved. Pioneer 10 was sent on the longest journey of the space age — to Jupiter.

President Nixon went to Communist China. In return for the visit, the Chinese government presented our country with 2 giant pandas.

The summer Olympics at Munich was the site of tragedy when Arab guerrillas attacked the Israeli teams resulting in the deaths of 9 Israeli team members, 5 Arabs, and a West German policeman. These Olympics also brought us Olga Korbut and Mark Spitz.

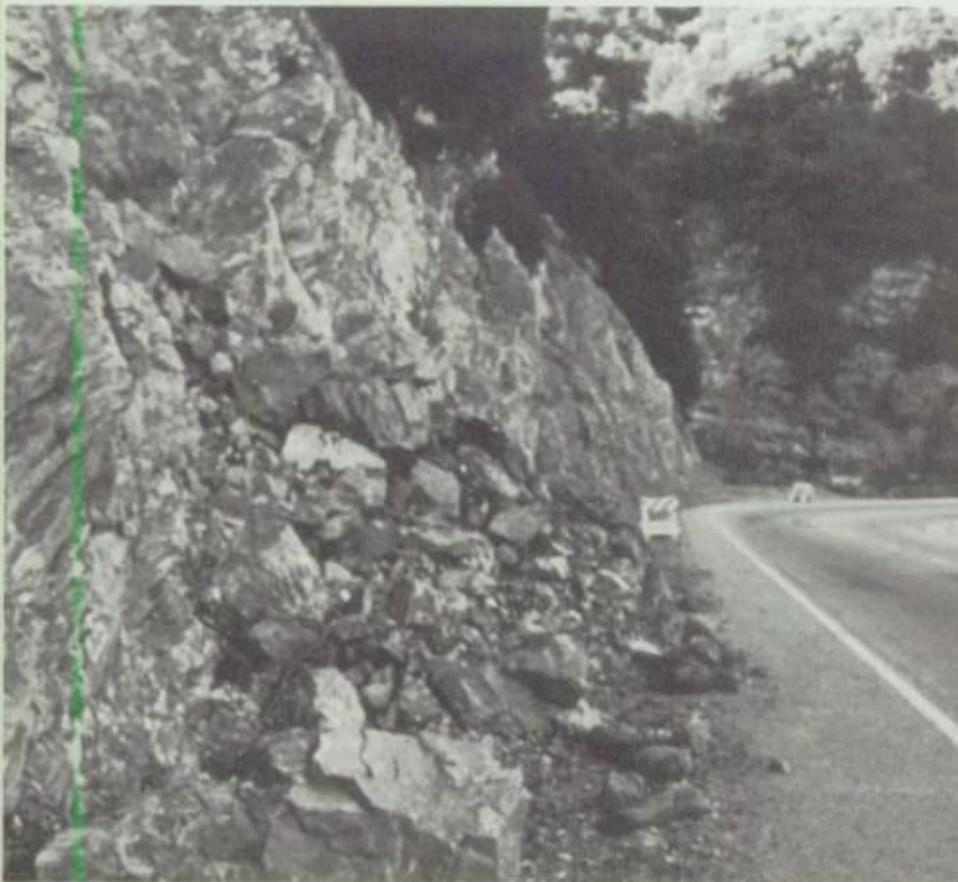

The U.S began pulling out of the war in Vietnam in 1973. Soviet leader Brezhnev came to the U.S. for a summit meeting. The energy crisis entered our consciousness. We watched the leaders of our country on trial for acts that came to be known as Watergate; the end result: the resignation of Richard Nixon with Gerald Ford becoming the 38th president.

Housewives boycotted meat prices and Sky Lab was put into space. Minorities were heard: Sioux Indians captured Wounded Knee, S.D., demanding that Congress investigate the government's treatment of the Indians.

We all slowed down to 55 mph in 1974 in order to conserve fuel. However, the Concorde supersonic jet didn't believe in speed limits and flew from Boston to Paris and back in 6 hours and 18 minutes (a new Transatlantic record).

In space, Jupiter's 13th moon was discovered and Pioneer II sent to earth pictures

of that large planet. Henry Aaron hit his 715th homerun. Muhammad Ali regained the world heavy weight championship. Women's rights received a boost when the Supreme Court ruled that women must be paid the same as men for the same work. Credit discrimination against women was also banned.

Anyone who says that Americans don't know how to throw a birthday party obviously was not around in 1976, when, decked in red, white and blue, the nation celebrated its 200th birthday.

Patricia Hearst was convicted of bank robbery and using a firearm while committing a felony.

The winter Olympics were held at Innsbruck, Austria. The summer games were in Montreal, Canada.

Movie goers saw "One Flew Over the Cuckoo's Nest" and we saw pictures of the Mars surface of via Viking I.

In 1977 Gary Gilmore was shot by a firing squad. It was the first execution in the U.S. in over ten years.

President Jimmy Carter answered telephone calls from citizens. The Panama Canal was in the news and created much discussion between the two countries. Budget Director, Burt Lance, resigned.

Oil began to flow through the Trans-Alaskan Pipe Line.

New York Yankees won over the Los Angeles Dodgers in the World Series and "Rocky" was the movie of the year.

1978 was unsettling for the Catholic Church. Pope Paul VI died and Pope John Paul I took over. However, his reign lasted only 33 days. Karol Wojtyla of Poland was elected Pope John Paul II. He was the first non-Italian Pope in 455 years.

In Guyana, 900 members of the People's Temple, under the direction of Rev. Jim Jones, committed mass suicide.

The world was amazed with the announcement of the first "Test-tube Baby", when Louise Brown was born in Great Britain.

This was also the year that hurricanes received both male and female names.

Iran was the crisis center in 1979. The Shah Pahlavi left Iran and the Ayatollah Khomeini returned to Iran from exile in France. On Nov. 4th, Iranian students seized the U.S. Embassy in Tehran and were still holding the 50 hostages at the time of this publication.

Three Mile Island nuclear reactor had a break-down in its coolant system. Skylab fell to Earth and we waited in gas lines.

John Wayne passed away.

And Margaret Thatcher became Great Britain's first woman Prime Minister. And finally, the Soviets began to build up troops in Afghanistan which threatened world stability and the 1980 summer Olympics scheduled for Moscow.

The 19th proved to be a day of great enjoyment. First, the film "Superman" was shown in the gym and later that same day, the play "Scrooge" was performed. The Drama Club presented "Scrooge" for the student body as a play and to the public as a radio show.

The 20th began our Winter vacation. Vacation lasted from December 20, 1979 to January 13, 1980.

January was a busy month for winter sports. Each week there was some kind of game or match to play.

The next event was the dance sponsored by the Freshmen class. It had been long awaited as it was scheduled for the week, but weather wasn't permitting and the band was not able to make it up the hill.

January passed and February stole upon us quickly. February started on a good note as winter sports continued to make progress.

On Thursday, February 7, a Bake Sale was held. It was just another event that helped put variety into the regular school day schedule.

Harvey Mudd sponsored the Mudd Ball on Friday the eighth. Active participation was shown on St. Valentine's Day, February 14, when the Drama Club sponsored Famous Couples Day.

J.V. Basketball had a very good season. Captains award winner Brian McClintock scored 19 point in each of the last 2 games and had 21 rebounds in the finale. Brian also received the MVP award. Dave Benjamin had the high game of the year with 23 points against the Perris Panthers in the second round. Other awards received were: Most aggressive Player — John Pagel; Co-Best Defensive Players — Frank Gradillas, Kevin Martin, John Pagel; Rookie of the Year — John Lubisich; Coaches Award — Brian McClintock; Super Star Awards (for 3.5 GPA avg. or better during season) Brian McClintock, Paul Cavanaugh, John Lubisich, Scott Parks, John Pagel, David Chelsea.

Varsity Basketball had an extremely improved season with 9 wins and 15 losses. Co-captains Steve Hewey and Jeff Burbach helped lead the team to a very satisfying season. Dave Callahan averaged 19 points per game for the season and 10.7 rebounds. Dave made all league and was co-MVP. Jeff Burbach received an honorable mention in all league team and was co-MVP.

It was a disappointment when Bob Oaks, who was averaging 16 points per game, was hurt in the December Big Bear game. Bob received the Coaches awards. Other awards received: Shaun Appleton — Best Free Throw; Jeff Burbach Best Defensive Player.

Team Captains, Rita Iacono and Lori Dudgeon, helped the Girls' Basketball Team shoot for a good season. They had an over all record of 14 wins and 5 losses. Their league record was 7 wins and 3 losses. The team placed a strong tenth in CIF, IA DIVISION.

Award Recipients included: Lori Dudgeon — MVP; Rita Iacono — Defensive player of the Year; Lori Dudgeon — Leading scorer; Liann McCreery — Most Improved; Carolyn Eide — Most Inspirational; Barbara Schmidinger — Coaches Award; Michelle Wilson — Coaches Award; Dawn Dean — Coaches Award.

Selections for all league were Rita Iacono and Lori Dudgeon first team, and Liann McCreery and Janet Rasmussen honorable mention.

Wrestling had an outstanding season this year, 79-80. Wrestling did better than previous teams did in 14 years. Wrestling is the most winning sport at Rim, as they have gone to CIF championships for the past 12 years.

Awards were:

Most Outstanding Varsity Wrestler — Chris Brule (157 lb.);
Most Improved Varsity Wrestler — Mark Cavassa (148 lb.);
Most Inspirational — Casey Mahomey (168 lb.); CIF
FINALISTS — Mike Redick, Chris Brule, John Noble; Most
Outstanding J.V. Wrestler — Jim West (141 lb.); Most Out-
standing Frosh Wrestler — Scott Mitchell (98 lb.)

As for the weather, winter seemed to be undecided as

Bank of America Certificate Winners

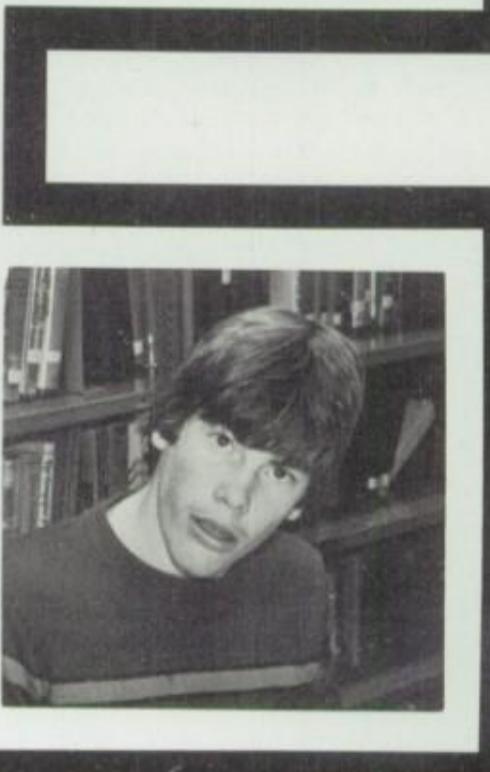

to how to act; rainy, sunny, foggy, windy, warm cold, etc . . . which meant that it was extremely difficult to have just a winter wardrobe.

This year was entirely unique in another respect. We began a new decade and at the same time we entered a leap year. Leap year has 366 days, or one more than an ordinary year. A leap year occurs in every year which can be divided evenly by four, except the years that mark the even hundreds, as 1500. The only century years that are leap years are those that can be evenly divided by 400, such as 1600 and 2000. Leap years were added to the calendar to make the calendar year nearly the same as the solar year, which is the time required for the sun to pass the "vernal equinox" twice. The extra day is added to the end of February and occurs as February 29, every 4 years. February 29 makes up for the time lost annually when the approximately 365½ day cycle is computed as 365 days. A mean (average) solar day (the standard time we use to tell time in our daily lives) is 3 min. 56.55536 seconds of average sidereal time (the time the earth takes to rotate once on its axis past an imaginary line from the earth's center to any star "the vernal equinox") longer than a sidereal day. A sidereal day equals 23 hours 56 minutes 4.09054 seconds of average solar time.

We inquired how people felt about Leap year day; February 29, 1980, and here's what we found: Tom Gascoigne — "It has to be for some good reason that they even made this unusual event, but I'd like to know what's the special reason who decided on it and why. For any further comment, I would need to know what the reason is." Randy Fisher — "It's a rotten time to have a birthday on, and it means an extra day of school!" Melisa Bender — "I think it's stupid because it doesn't do anything." Mike Hans — "It's necessary."

LaVelle Cochran, Howard Cripe and the Leadership Class coordinated activities within the school. Students were able to choose from a field of 46 vocational possibilities. Each student listed her /his first, second, third, and fourth choices. Juniors and seniors were given their first and second choice. Local business people; doctors, artists — over 50 adults participated on their own time to give Rim High students a glimpse at the outside, working world.

TO ALL PARENTS

"I'll lend you for a little while, a child of mine," He said, "For you to love the while he lives, and mourn for when he's dead. It may be six or seven years, or twenty-two or three. But will you, till I call him back, take care of him for me? He'll bring his charms to gladden you, and shall his stay be brief, you'll have his lovely memories as solace for your grief. I cannot promise he will stay, since all from earth return, but there are lessons taught down there, I want this child to learn. I've looked the wide world over, in my search for teachers true, and from the throngs that crowd life's lanes, I have selected you. Now, will you give him all your love, not think the labor vain, nor hate me when I come to call, to take him back again? I fancied that I heard you say: 'Dear Lord, Thy will be done. For all the joy thy child shall bring, the risk of grief we'll run. And should the angels call for him much sooner than we'd planned, we'll brave the bitter grief that comes and try to understand'."

SUMMERTIME

ANTICIPATING . . .

From the beginning of their last year at Rim High, Seniors have been anticipating graduation.

Many events have preceded this exciting occasion and all of them have been geared toward increasing class spirit and enthusiasm.

Senior Breakfast (April 4), Grad Nite (at Disneyland), and Baccalaureate helped to bind the first graduates of the '80's together.

But, naturally, the most important day was June 19, 1980, graduation!

As is tradition, seniors wore caps and gowns (dark blue for boys and white for girls).

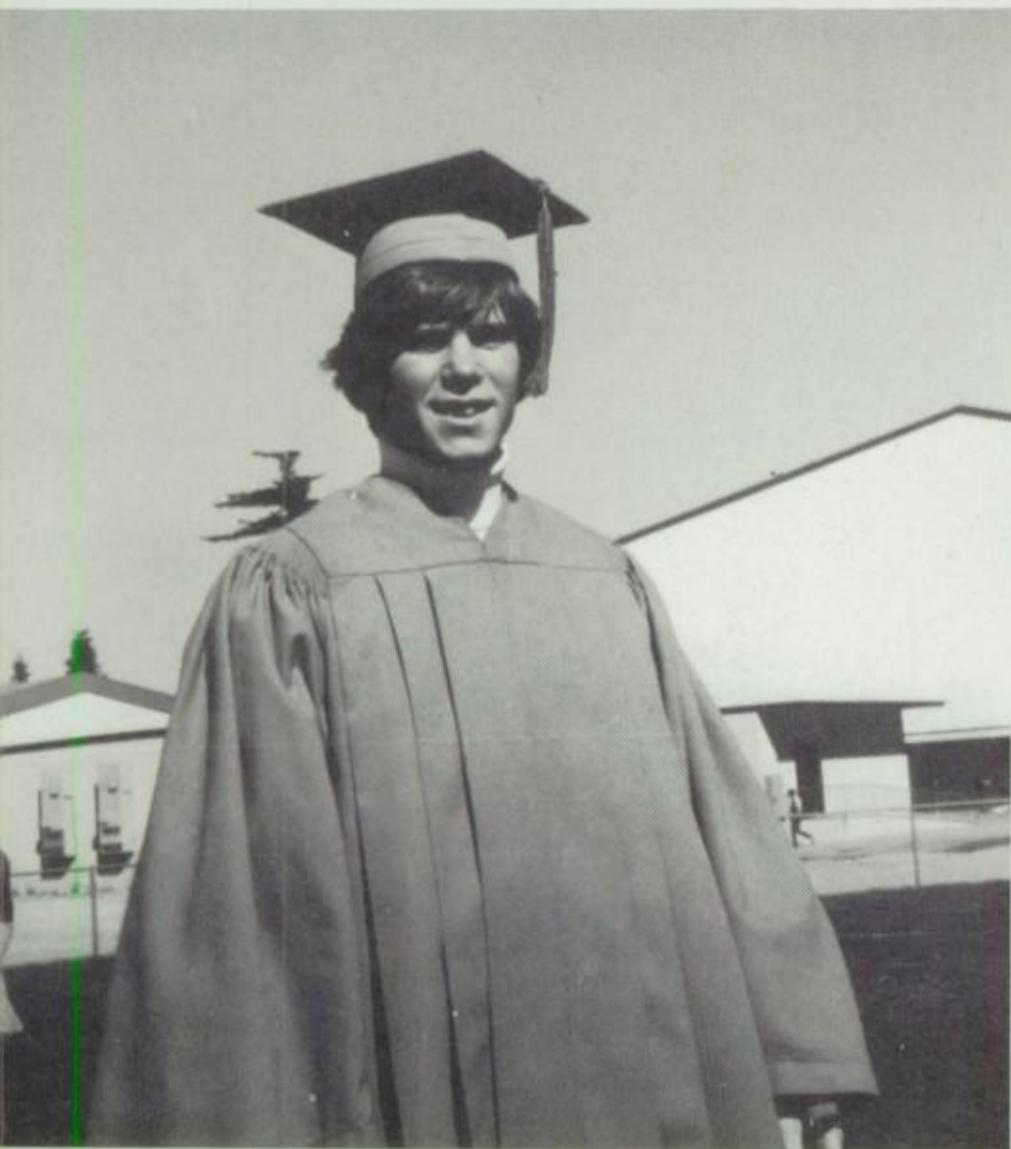

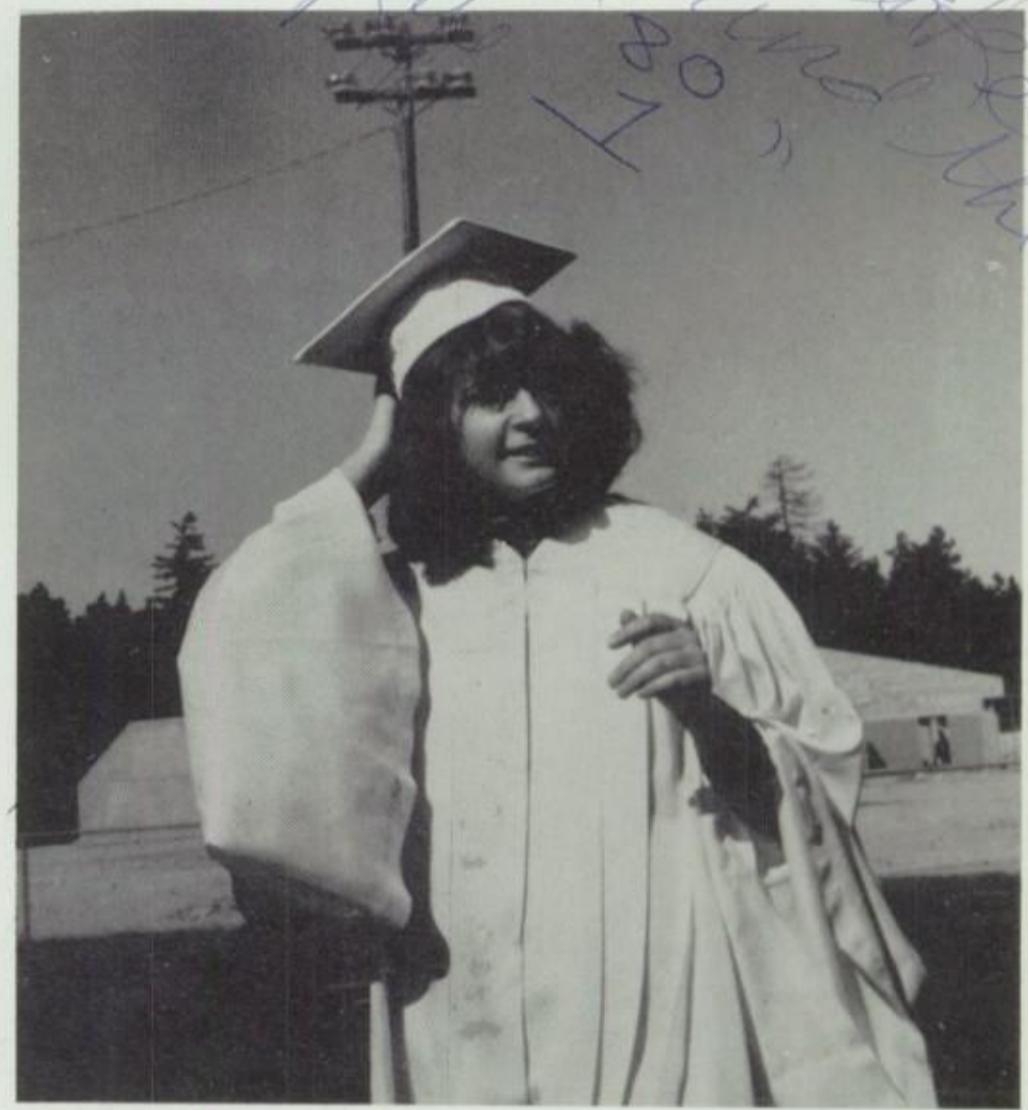

Prominent members of the community spoke as did Mr. Buchanan (Principal) and Mr. Bernardy Superintendent of Schools). Representing the class of '80 were valedictorians, Jenny Wardrip and Tad Martin, (graduating one and two respectively).

Although a time of sadness for parting paths, life-bound seniors were anticipating the future.

Jenny Wardrip has attended Rim for the 4 years of her high school — with a year out as an AFS student in South Africa. There she learned Afrikaans, attended school in the same language, and won many school honors though using a foreign tongue. Noted for her artistic ability, Jenny is frequently found sketching, has had her work exhibited in school shows and in the front display cases and is envied for her many talents. An all-around good student who possesses an agile mind, Jenny is a credit to her alma mater.

There is a story of a foolish man who once built his house upon the sand. This worked for a time, but then the rain descended, the floods came, and the winds blew, and burst against that house. The house fell, and its ruin was great.

There was also a wise man who built his house upon the rock. The rain descended and the floods came, and the winds blew, and burst against that house; and yet it did not fall for it had been founded on the solid rock.

As the class of '80, the first class of the new decade, we enter a very unstable world; economically, socially, even our sovereignty as a nation may be challenged. Truly in each of our lives, storms lie ahead. The need for our lives to be built upon a solid foundation becomes all too clear. So I ask each of you this question; a question of greater importance cannot be found. Upon what foundation are you building your life?

I have built my life upon a solid foundation. It has worked for me. It will work for you. A house or a life without a foundation simply will not stand. The foundation of which I speak is Jesus Christ.

Don't just turn the page. Think about it!

Though the competition was extremely tough for all of the people competing in the annual Bank of America essay and speech contest, four gained top honors in the various contest areas, they are; *Bolinda Lowe* — 1st place, vocational arts, *Tad Martin* — 1st place liberal arts, *Jenny Wardrip* — 1st place fine arts & *Ren Hayhurst* — 4th place in the area of Math and Science.

Each of the 3 first place participants were awarded a handsome \$500.00 cash prize, with 4th place earning a \$50.00 cash prize. After winning on a local level, the winners will then compete on a state level which will determine the best qualified students in each vocational field. Although competition will prove to be an extremely and difficult field, the students as well as many staff members believe their chances to be very good.

RETROSPECTIVE

Where has all the time gone? It seems like only yesterday we were lost and confused freshmen (some of us are still lost and confused). Rim High School has prepared us for our lives ahead. We, as freshmen and sophomores, survived man's greatest test of patience and endurance: year-round education. As juniors we took on the task of breaking in a new principal, Tim Buchanan. This we accomplished by making fun of his neck ties that clashed with his shirts and crashing into his Cherokee — by accident, of course. Finally, in our last year at Rim we were struck by near-fatal senioritis. Upon catching this disease you find it impossible to wake up in the morning and you completely forget what class you have the next period; this makes it impossible to attend half your classes. But, seriously, Rim did mean a lot to all of us and we will never forget the time we've spent here. Thanks to the administration, faculty, and, most of all, the students of Rim High.

Chip Eck
Senior Class President

Will you remember the things you've done
the things you've lost, and the things you've won.
the way the clouds have come and gone,
the way your life has rained and shone.
the experience you gained, the time you lost,
the knowledge was yours at such little cost.
the hours you spent from day to day,
memories, time, . . . are now slipping away.
will you remember the friends you once knew,
or will you forget, . . . as so often we do.

Tim Buchanan
Principal, Rim H.S.

From the original anticipation of the
first week, we watched Rim's school
spirit fluctuate, but even at its low it
was not outdone by our competitors.

It has been a good year; and the anticipation has kept it alive and going. And even though the year has ended, the anticipation of the future continues.

SAVED FOR MILE

To one of the most
sweetest & kindest guy

GOD SPEED TO THE CLASS OF '80

For most of you, the next ten years will be the most challenging and exciting years of your life. Years in which a multitude of decisions will be made that will affect your life for eternity.

Three of these decisions will have an enormous impact on your lifestyle . . .

Shall I continue my education?

What shall I do with my life?

Whom shall I marry?

A frivolous or immature answer to any one of these questions, could have a ruinous effect upon the balance of your life while here on planet earth.

Question . . . "What's a fail-safe method for making these decisions?"

Answer . . . "Surrender your heart, soul, and body to the Lord Jesus Christ and then rely upon His wisdom, insight, and direction to make you wise in all your decisions."

Lance My Big Bro!

Abd I love ya! We've spent the past 5 years as man & wife bro & sis, girlfriend & boyfriend, every combination under the sun but the one thing I liked you best as was a friend. How do you tell your Big Bro how much you love him after so long? Especially since we haven't kept close to each other in a while, so I guess the best way to say it is...

I LOVE YOU, VERY
VERY MUCH!!!

And I'm going to miss seeing your cute little freckle face and the beautiful red locks.

Stay Fine Little Man.

Love You Always,
